The Complete Guide to Fasting Jimmy Moore 2016-10-18 Thousands of books have been written about the latest and greatest diets that will help people lose weight and improve health. But a key element in any successful nutritional health program is a tried-and-true method that most people haven't thought about. This ancient secret is fasting. In *The Complete Guide to Fasting*, he has teamed up with international bestselling author and veteran health podcaster Jimmy Moore to explain what fasting is really about, why it's so important, and how to fast in a way that improves health.

Your Guide to Lowering Your Blood Pressure with Dash U. S. Department Human Services 2012-07-09 This book by the National Institutes of Health (Publication 06-4082) and the National Heart, Lung, and Blood Institute provides information and effective ways to work with your diet because what you choose to eat affects your chances of developing high blood pressure, or hypertension (the medical term). Recent studies show that blood pressure can be lowered by following the Dietary Approaches to Stop Hypertension (DASH) eating plan-and by eating less salt, also called sodium. While each step alone lowers blood pressure, the combination of the eating plan and a reduced sodium intake gives the biggest benefit and may help prevent the development of high blood pressure. This book, based on the DASH research findings, tells how to follow the DASH eating plan and reduce the amount of sodium you consume. It offers tips on how to start and stay on the eating plan, as well as a week of menus and some recipes. The menus and recipes are given for two levels of daily sodium consumption-2,300 and 1,500 milligrams per day. Twenty-three hundred milligrams is the highest level considered acceptable by the National High Blood Pressure Education Program. It is also the highest amount recommended for healthy Americans by the 2005 "U.S. Dietary Guidelines for Americans." The 1,500 milligram level can lower blood pressure further and more recently is the amount recommended by the Institute of Medicine as an adequate intake level and one that most people should try to achieve. The lower your salt intake is, the lower your blood pressure. Studies have found that the DASH menu containing 2,300 milligrams of sodium can lower blood pressure and that an even lower level of sodium, 1,500 milligrams, can further reduce blood pressure. All the menus are lower in sodium than what adults in the United States currently eat-about 4,200 milligrams per day in men and 3,300 milligrams per day in women. Those with high blood pressure and prehypertension may benefit especially from following the DASH eating plan and reducing their sodium intake.

The 30-Day Ketogenic Cleanse Maria Emmerich 2016-12-27 For those who are brand-new to keto and those who are getting back on track after falling off the wagon, the first 30 days on a ketogenic diet can be challenging. The 30-Day Ketogenic Cleanse is a guidebook for healing the body from the inside out. Most people attempting a keto diet do it completely wrong. Maria Emmerich, on the other hand, bases this cleanse on a true, well-formulated ketogenic diet, helping readers reset their metabolism, regain health, lose weight, and tap into increased energy levels.

Keto Diet Josh Axe 2019-02-28 From the author of the international bestseller *Eat Dirt*, a 30-day plan to burn fat, fight inflammation, and reverse disease using the keto diet. Today, the ketogenic diet is the world's fastest growing diet, and with good reason. When practiced correctly, it has been proven to burn fat, reduce inflammation, balance hormones and gut bacteria. Unfortunately, many people remain unaware of several key factors that are crucial to the diet's success, setting them up for frustration, failure, and relapse. In KETO DIET, bestselling author Dr. Josh Axe sets the record straight, offering thorough, step-by-step guidance to achieving lifelong health. Unlike other books on the subject, KETO DIET identifies and details five different ketogenic protocols, and explains why picking the right one for your body and lifestyle is fundamental to your success. Complete with shopping lists, delicious recipes, complimentary exercise routines, and accessible explanations of the science, KETO DIET will give readers all the tools they need to say goodbye to stubborn fat and chronic disease once and for all. *The PCOS Plan* Nadia Brito Pateguana 2020-04-14 New York Times bestselling author Dr. Jason Fung joins forces with naturopathic doctor Nadia Pateguana to offer methods to prevent and reverse PCOS through diet and intermittent fasting. Polycystic Ovary Syndrome (PCOS) is the most common reproductive disorder in the world, affecting an estimated eight to 20 percent of women of reproductive age, almost half of whom are unable to conceive. PCOS is also associated with increased risks of heart disease, ovarian and endometrial cancers, and type 2 diabetes. In this clearly written guide, backed by science and personal experience, Drs. Jason Fung and Nadia Brito Pateguana identify the symptoms of PCOS and reveal its root cause: excess insulin. They then show how to prevent and reverse PCOS with a low-carb diet and intermittent fasting. As a bonus, fifty recipes and a variety of menu plans are included to put new knowledge into (delicious) practice.

Changing your lifestyle can be hard no matter what diet you choose, but this authoritative, engaging book brings true transformation with keto within your reach. Drew's comprehensive program is filled with the practical tools, emotional support, and real-life wisdom you need to create lasting change and become the best version of you. Your keto journey begins here--and Drew is an amazing companion every step of the way.

The Healthy Indian Diet Anuja Balasubramanian 2011-06-01 How Indian Food Can Be Good for You... The latest research reveals why traditional diets are good for you, especially those of South Asia, and what's wrong with food today, much of which is refined and mass produced. While modern diets have been planting the seeds of obesity, diabetes, heart disease, and many cancers in America and around the world, the Healthy Indian Diet can help prevent them from ever taking root. Like the Mediterranean Diet, the Healthy Indian Diet is a way of eating based on natural foods and traditional techniques of preparation. This book aims to be a useful guide of what you can eat to optimize your well-being. In these pages, you'll learn:
* How refined grains and other easily-digestible carbs in modern diets are linked to chronic disease* Why wellness experts like Dr. Oz, Dr. Ormish (who showed how to reverse coronary heart disease without medication), and Dr. Servan-Schreiber (of "Anticancer" fame) praise elements of Indian food, especially spices like turmeric* How whole-grain breads, certain fruits and vegetables, fermented dairy, and other elements of the Healthy Indian Diet can help you reduce your risk of chronic inflammation, keep your insulin levels in check, and control your weightIn addition to learning about the Healthy Indian Diet, you'll find 31 mouth-watering recipes ranging from dahi (yogurt) and chana masala (a garbanzo bean curry) to oats-and-brown rice dosa (a savory crêpe) and coriander chutney. In the end, you'll have a better understanding of what's meant by the saying "food is medicine" and how we have control over our health based on what we eat.

Gut and Psychology Syndrome Natasha Campbell-McBride, M.D. 2018-11-29 Dr. Natasha Campbell-McBride set up The Cambridge Nutrition Clinic in 1998. As a parent of a child diagnosed with learning disabilities, she is acutely aware of the difficulties facing other parents like her, and she has devoted much of her time to helping these families. She realized that nutrition played a critical role in helping children and adults to overcome their disabilities, and has pioneered the use of probiotics in this field. Her willingness to share her knowledge has resulted in her contributing to many publications, as well as presenting at numerous seminars and conferences on the subjects of learning disabilities and digestive disorders. Her book *Gut and Psychology Syndrome* captures her experience and knowledge, incorporating her most recent work. She believes that the link between learning disabilities, the food and drink that we take, and the condition of our digestive system is absolute, and the results of her work have supported her position on this subject. In her clinic, parents discuss all aspects of their child's condition, confident in the knowledge that they are not only talking to a professional but to a parent who has lived their experience. Her deep understanding of the challenges they face puts her advice in a class of its own. *The Pegan Diet* Mark Hyman 2021-02-25 The New York Times Bestseller _____ For decades, the diet wars have pitted advocates for the low-carb, high-fat paleo diet against advocates of the exclusively plant-based vegan diet and dozens of other diets leaving most of us bewildered and confused. For those of us on the sidelines, trying to figure out which approach is best has been nearly impossible - both extreme diets have unique benefits and drawbacks. But how can it be, we've asked desperately, that our only options are bacon and butter three times a day or endless kale salads? How do we eat to reverse disease, optimal health, longevity and performance. How do we eat to reverse climate change? There must be a better way! Fortunately, there is. With The Pegan Diet, a food is medicine approach, Mark Hyman explains how to take the best aspects of the paleo diet (good fats, limited refined carbs, limited sugar) and combine them with the vegan diet (lots and lots of fresh, healthy veggies) to create a delicious diet that is not only good for your brain and your body, but also good for the planet. Featuring 30 recipes, and plenty of infographics illustrating the concepts, The Pegan Diet offers a balanced and easy-to-follow approach to eating that will help you get, and stay, fit, healthy, focused, and happy - for life. "Now, more than ever, we need to utilize the power of food to help our society overcome the epidemic of chronic disease. The Pegan Diet offers an easy-to-implement solution for anyone to get started on their health journey using 21 basic principles that show how we can use food as medicine." Arianna Huffington, Founder & CEO, Thrive Global

The Paleo Gut Healing Cookbook Alison Marras 2021-11-30 The Paleo Gut Healing Cookbook gives readers the full equation for restoring gut health, autoimmune protocol-compliant recipes, and digestion-supportive practices.

Keto for Women Leanne Vogel 2019-06-18

Keto Clarity Jimmy Moore 2014-08-05 Leading health blogger Jimmy Moore and researcher and internist Dr. Eric C. Westman join forces again to explain the powerful therapeutic effects of a ketogenic diet—one that combines a customized carbohydrate restriction, moderation of protein intake, and real food-based fats—which is emerging in the scientific literature as a means for improving a wide range of diseases, from Type 2 diabetes to Alzheimer’s and more. Simply eating a low-carb diet alone isn’t enough, and Moore and Westman tell you why. Have you looked at a low-carb diet simply as a means to lose weight? What if you learned that combining a low-carb nutritional approach with a high fat intake produces a powerful therapeutic effect on a wide variety of health conditions that most people think requires medication to control? That’s what Keto Clarity is all about. Jimmy Moore, the world’s leading low-carb diet blogger and podcaster, has reunited with his Cholesterol Clarity coauthor Dr. Eric C. Westman, a practicing internist and low-carb diet researcher, to bring you the crystal-clear information you need to understand what a ketogenic diet is all about and why it may be the missing element in your pursuit of optimal health. This book includes exclusive interviews from twenty of the world’s foremost authorities from various fields bringing their depth of expertise and experience using this nutritional approach. Moore and Westman clearly explain why ketosis is normal, how this nutritional approach is being used therapeutically by many medical professionals, a step-by-step guide to help you produce more ketones and track your progress, real life success stories of people using a ketogenic diet, and more. The solid evidence for nutritional ketosis in dealing with many of the chronic health problems of our day is presented, including: epilepsy, Type 2 diabetes, obesity, cardiovascular disease, metabolic syndrome, polycystic ovarian syndrome (PCOS), irritable bowel syndrome (IBS), heartburn (GERD), nonalcoholic fatty liver disease (NAFLD). The good evidence for ketogenic diets is also shared in dealing with Alzheimer’s Disease (AD), Parkinson’s Disease, dementia, mental illness, schizophrenia, bipolar, depression, narcolepsy, and sleep disorders. Plus, you’ll get the details on the emerging science that is showing great promise in treating cancer, autism, migraines, chronic pain, brain injury, stroke, kidney disease and so much more. Keto Clarity is your definitive guide to the benefits of a low-carb, high-fat diet. Full details on Jimmy Moore’s yearlong n=1 scientific experiment of nutritional ketosis, in which he used sophisticated blood testing technology to track and monitor his production of ketones and blood sugar to achieve rather remarkable effects on his weight and health, is also presented as well as food shopping lists, 25+ low-carb, high-fat recipes, and a 21-day meal plan to get you going on your ketogenic lifestyle change. Keto Clarity gives you a whole new perspective on the work that the late, great Dr. Robert C. Atkins started in earnest with his promotion of the low-carb approach beginning in the 1960s. That revolution continues boldly in this book designed to shift your paradigm on diet and health forever!

The Ketogenic Solution for Lymphatic Disorders Leslyn Keith 2019-10-15 The idea of using diet for lymphedema therapy is rapidly gaining ground, and the Ketogenic Solution for Lymphatic Disorders book was written to help those with lymphatic disorders implement a ketogenic diet as an effective treatment. Dr. Keith has extensive experience in helping her patients lose weight and dramatically reduce lymphatic swelling by showing them how to switch their standard diet to a low-carb, high-fat way of eating. Her methods and the results of a 2017 study she published in which she and her colleagues showed the positive effect the diet had on treatment outcomes are included in the book.

The Ketogenic Diet Kristen Mancinelli 2015-01-06 Get started on the keto diet with the original guide to triggering ketosis with a low carb, high fat healthy eating plan Low-carb is all the rage, but unlike the fad diets, the ketogenic diet is scientifically proven to change how the brain gets energy and the body dissolves fat. Studies have shown that the ketogenic diet's program—a high in fat, moderate in protein and very low in carbs approach—guarantees you'll lose weight by: Powerfully suppressing appetite Effectively stabilizing blood sugar Naturally enhancing mood Dramatically reducing fat storage The Ketogenic Diet includes a quick-start guide to rapid weight loss, a surefire plan to eliminate carbs and fat-burning advice that works. Using the recipes and tips in this book, you will learn to avoid trigger foods, gauge the difference between good and bad fats, and steer clear of nutrient-poor carbs.

The Carnivore Diet Shawn Baker 2019-11-19 Shawn Baker's Carnivore Diet is a revolutionary, paradigm-breaking nutritional strategy that takes contemporary dietary theory and dumps it on its head. It breaks just about all the “rules” and delivers outstanding results. At its heart is a focus on simplicity rather than complexity, subtraction rather than addition, making this an incredibly effective diet that is also easy to follow. The Carnivore Diet reviews some of the supporting evolutionary, historical, and nutritional science that gives us clues as to why so many people are having great success with this meat-focused way of eating. It highlights dramatic real-world transformations experienced by people of all types. Common disease conditions that are often thought to be lifelong and progressive are often reversed on this diet, and in this book, Baker discusses some of the theory behind that phenomenon as well. It outlines a comprehensive strategy for incorporating the Carnivore Diet as a tool or a lifelong eating style, and Baker offers a thorough discussion of the most common misconceptions about this diet and the problems people have when transitioning to it.

Polycystic Ovary Syndrome Andrea Dunaif 2008-01-12 This volume includes the latest diagnostic criteria for PCOS and comprises the most up-to-date information about the genetic features and pathogenesis of PCOS. It critically reviews the methodological approaches and the evidence for various PCOS susceptibility genes. The book also discusses additional familial phenotypes of PCOS and their potential genetic basis. All four editors of this title are extremely prominent in the field of PCOS.

21 Day Keto Diet Book Olivia Book Publisher 2021-06-07 21 day keto diet book Paleo and Ketogenic diet, whether on their own, or mixed together have been proven to have positive effects on your body, especially if you have PCOS or other autoimmune diseases. Paleo and Ketogenic diets are actually quite similar as they both are high in fat, moderate in protein and low in carbohydrates. There are basically four rules to a Paleo diet. No grains, no legumes, no dairy and no sugars. A ketogenic diet, depending on which type of keto dieter you are, is usually between 0-50g net carbs per day, but most commonly between 0-20g. Moreover, not all keto dieters will stop eating grains/high carb vegetables, legumes and dairy. The general rule is that as long as it fits within your macros, it is acceptable, but then again that really depends on the belief of the dieter. Everyone is different. I personally do not do grains, gluten, or sugar, but I do the other things in moderate amount. Personally, if I were to eat gluten or sugar again, I feel like my body would crave it so bad and it would be hard for me to go back to a low carb lifestyle, so I try to avoid them as best as I can. This meal plan is Paleo = Grain-free, Gluten-free, Sugar-free, Dairy-free

The Hormone Reset Diet Sara Gottfried, M.D. 2015-03-17 The Harvard-educated physician and New York Times bestselling author of *The Hormone Cure* shows you how to grow new receptors for your seven metabolic hormones, making you lose weight and feel great fast! When it comes to weight loss, most people don't think about hormones. But when you develop resistance to your seven major metabolic hormones—cortisol, thyroid, testosterone, growth hormone, leptin, insulin, and estrogen—your body adjusts by increasingly raising your hormone levels and ultimately slowing down your metabolism. And a slower metabolism leads to weight gain and difficulty losing weight. The solution, Dr. Sara Gottfried contends, is to reset the efficiency of your hormones by repairing and growing new hormone receptors. Based on leading scientific research, *The Hormone Reset Diet* is her proven weight loss and energy program to reverse hormone resistance in just three weeks. It will help you: Boost your metabolism and calorie burning by growing new and fresh thyroid receptors; Increase your weight loss by re-balancing estrogen and progesterone receptors; Reverse your aging by resetting glucocorticoid receptors (for better processing cortisol). For the last twenty years, this Harvard-MIT educated physician has helped thousands of women address the root hormonal causes of what bothers them most: excess weight, lack of energy, aging, and illness. Going beyond her bestselling *The Hormone Cure*, this program is the next generation of her deep understanding of hormonal optimization for rapid weight loss.

The Keto All Day Cookbook Martina Slajerova 2019-01-22 In The Keto All Day Cookbook, best-selling author and creator of the KetoDiet blog Martina Slajerova compiles her best recipes for every meal of the day (even snacks)—plus 17 new ones, accompanied by nearly 40 gorgeous new photos—to help you stay the keto course, deliciously! Keto is the top-trending supportive diet. Bolstering its reputation is research that strongly suggests that a keto diet may help reverse diabetes, obesity, cancer, and the effects of aging. However, in order to reap the benefits, you need to stick to the keto plan at every meal. That can be challenging when eating breakfast during your commute or figuring out what to eat for dinner after a long day. And what to do about lunch? Especially when your lunch "hour" may be 10 minutes at your desk. With Keto All Day you won't be tempted to blow your keto diet on a carb-filled snack or a processed convenience meal simply because you are tired, rushed, or just don't know what to prepare. Enjoy tasty, flavorful recipes for snacks and meals, such Breakfast Egg Muffins, Pizza Waffles, Carrot Cake Oatmeal, Southern Duck Deviled Eggs, Eggplant Parma Ham Rolls, and Taco Frittata. Keto All Day even has recipes for delicious drinks and desserts, including Cookie Dough Mousse, Boston Cream Pie, and Raspberry Lime Electrolyte Cooler. Reap the benefits of the amazing keto diet in a delicious way with Keto All Day.

The Keto Reset Diet Mark Sisson 2017-10-03 NEW YORK TIMES BESTSELLER • Mark Sisson unveils his groundbreaking ketogenic diet plan that resets your metabolism in 21 days so you can burn fat forever. “Sisson masterfully delivers a comprehensive guide . . . to finally achieve success as it relates to health and weight loss.”—David Perlmutter, M.D., author of *Grain Brain* Mounting scientific research is confirming that eating a ketogenic diet could represent one of the greatest nutritional breakthroughs of our time—and that it might be the healthiest and most effective weight loss strategy ever. Going “keto” by eating high fat, low-to-moderate protein and low-carb foods enables you to break free from the disastrous effects of carbohydrate dependency by resetting your metabolism and promoting metabolic flexibility—where your body learns to burns fat instead of sugar for energy, even when you go off plan. Unlike many other ketogenic programs that require challenging restrictions and deprivation or offer misinformation, Mark Sisson, bestselling author of *The Primal Blueprint* and publisher of the #1 paleo blog *Mark'sDailyApple*, presents a unique two-step, scientifically validated approach for going keto the right way. He first reveals the real secret to rapid and sustained weight loss, which is in becoming “fat-adapted” before entering full nutritional ketosis. It takes as little as 21-days to reprogram your metabolism to burn fat for fuel, by ditching processed grains, sugars, and refined vegetable oils in favor of nutrient-dense, high fat, primal/paleo foods—and you'll see immediate results. Next, you'll fine-tune with Intermittent Fasting and then foray into full ketogenic eating for a further weight loss boost and improved health. With *The Keto*

Reset Diet, you can eat to total satisfaction by enjoying rich, high-satiety foods, and even weather occasional slip-ups, using: • Step-by-step guidance • A helpful list of toxic foods to avoid and nutrient-dense food to replace them • Daily meal plans, including a recipe section with over 100 keto friendly recipes You'll use keto as a lifelong tool to stay trim, healthy, energetic, and free from the disastrous health conditions caused by the typical American diet. The Keto Reset Diet is the definitive guide to help the keto-beginner or the experienced health enthusiast understand the what, why, and how to succeed with ketogenic eating.

Keto Diet Cookbook for Women After 50 Nigel Methews 2020-05-13 ***Who said that when you reach 50 you have to give up wearing the dress you like so much because of those extra pounds?*** **With Keto Diet After 50 You'll Take your Extra Pounds off Quickly, Safely, and Permanently!*** With an estimated 3 in every 4 (75%) senior citizens in the United States expected to be obese by 2025, we are sitting on a time bomb because with obesity comes all manner of associated health problems like heart disease, diabetes, arthritis and much more. By virtue that you are reading this, it means you don't want to be part of the statistic and have probably heard a thing or two about the Ketogenic diet and are looking for answers. Indeed, the Ketogenic diet is the king of weight-loss diets for a reason and this is the fact that it is very effective in making the body an efficient fat-burning machine that runs on ketones. But there is one problem - the standard Ketogenic diet is not suited for women, especially those in their menopausal years (50 years and above). This makes it very hard for women over 50 to sustainably lose weight on a Keto diet. However, this does not mean the diet is not for you if you are 50 years and above. What it means is that you have to modify the diet to suit your unique needs and circumstances to enjoy the fat/ketone burning capabilities of the keto diet. How exactly does the Ketogenic diet affect women over 50 years in a manner that is different from everyone else? What foods should you eat and which ones should you avoid as you follow the keto diet as a woman over 50? How do you start following the Keto diet the right way as a woman who is 50 years and above? If you have these and other related questions about following the keto diet, this simple yet detailed book on the Keto diet for seniors is a complete and thorough book that touches on the main topics around safe Keto dieting for people above 50 years of age. In this cookbook, we will provide much content and give you a deeper understanding of the keto diet after 50. You will know that: The keto diet basics How to get into ketosis Foods to eat and avoid Benefits and side effects Handle keto side effects Over 80 keto recipes for seniors. "The Complete Keto Guide for Beginners After 50" offers a comprehensive guide to cooking some of the most mouth-watering recipes in the easiest ways. With complete nutritional information, you are sure to find value in every recipe. If you are tired of following diets that end up causing unintended problems that you can't deal with, this book will show you a new approach to dieting that will not only see you lose weight but keep it off and achieve lots of health benefits like fighting diabetes, heart disease, cancer, arthritis and much more! Ketogenic Diet For Beginners Diana Watson 2020-05-29

KetoFast Dr. Joseph Mercola 2021-08-24 New in paperback, from one of the world's foremost alternative health authorities: a guide to using time-restricted eating and ketogenic principles to promote weight loss, treat disease, and optimize well-being. "You can always trust Dr. Joseph Mercola to be on the cutting edge! Follow this enjoyable read to do keto and fasting the right way, and avoid the common pitfalls, many of which will shock you." -- Steven R. Gundry, M.D., New York Times best-selling author of The Plant Paradox series; Medical Director, The International Heart and Lung Institute We all know that food is medicine--yet going without food is one of the single best things you can do for your health. Short, doable fasts, when strategically timed, are an incredibly powerful metabolic intervention, dovetailing perfectly with a ketogenic diet to activate your body's fat-burning mode. This in turn can ward off insulin resistance, reduce oxidative stress and inflammation, optimize brain function, prevent neurological problems, support weight loss, and more. In this in-depth yet accessible guide, now available in paperback, New York Times best-selling author Dr. Joseph Mercola explores the profound health benefits that result when ketogenic living and well-planned fasting are combined. Topics include: How our food is making us sick and what we can do about it The physiology and mechanisms of fasting, including stem cell activation How the cyclical ketogenic diet--with fasting included--differs from the conventional keto diet How fasting works and how safe it is for you How regular one-day fasts support fat burning and detoxification while minimizing hunger and side effects How to monitor your progress with lab tests And much more

The New Mediterranean Diet Cookbook Martina Slajerova 2021-03-09 In The New Mediterranean Diet Cookbook, best-selling ketogenic author Martina Slajerova presents a keto-optimized refinement of the world's superdiet.

End Your Carb Confusion Eric Westman 2020-12-15 Move from carb confusion to carb confidence! Overwhelmed by the avalanche of information out there about diets and health? Tired of spending time and money following complicated and expensive plans and protocols that don't deliver the results you want? Would a strict ketogenic diet be best for you? But what if you can't imagine life without fruit or bread? Why won't someone just make all this diet stuff simple? They have! Eric Westman, MD, has over twenty years of experience as an internal medicine doctor and obesity medicine specialist. He's helped patients at his Keto Medicine Clinic at Duke University lose over 26,000 pounds and reverse conditions like type 2 diabetes, PCOS, high blood pressure, and more. In End Your Carb Confusion, he shares his time-tested and science-backed strategy with YOU! If you've spent years doing

“all the right things” but you're still dealing with excess weight, diabetes, heartburn, joint pain, fatigue, skin problems, or other issues, End Your Carb Confusion is the GPS you need to help you navigate your way from frustrated and disappointed to empowered and successful. Find the level of carbohydrate intake that's right for you now, and then learn how to switch gears to a higher- or lower-carb diet when the time is right. Dr. Westman gives you the information you need to start reclaiming your health today--no complicated and confusing scientific gobbledeygook, only exactly what you need to understand how you got to where you are (hint--it's not your fault!) and, more important, how to get to where you want to be. You shouldn't need a PhD, a private chef, and a million dollars to lose weight and get healthy. The simple, straightforward plan laid out in End Your Carb Confusion fits into any lifestyle, whether you shop at an organic co-op or a discount chain and will help you reach your goals whether you prefer gourmet meals or fast food. No matter where you're starting from, End Your Carb Confusion can lead you to your destination--a renewed body, mind, and spirit.

Atkins Diet for Beginners Nathalie Seaton 2019-08-29 You can stop chasing fad diets and just follow time tested and sustainable for a lifetime - Atkins Diet. Atkins diet has helped millions of people around the world lose weight - and maintain that weight loss for life. For more than 40 years, Atkins diet helps millions achieve weight-loss goals and improve their health.

The Bulletproof Diet Dave Asprey 2014-12-02 In his midtwenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge--and change--the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.
