Fallocaust Quil Carter 2014-07-09 Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

Environmental Chemistry, Eighth Edition Stanley E. Manahan 2004-08-26 Environmental Chemistry, Eighth Edition builds on the same organizational structure validated in previous editions tosystematically develop the principles, tools, and techniques of environmental chemistry to provide students and professionals with a clear understanding of the science and its applications. Revised and updated since the publication of the best-selling Seventh Edition, this text continues to emphasize the major concepts essential to the practice of environmental science, technology, and chemistry while introducing the newest innovations to the field. The author provides clear explanations to important concepts such as the anthrosphere, industrial ecosystems, geochemistry, aquatic chemistry, and atmospheric chemistry, including the study of ozone-depleting chlorofluorocarbons. The subject of industrial chemistry and energy resources is supported by pertinent topics in recycling and hazardous waste. Several chapters review environmental biochemistry and toxicology, and the final chapters describe analytical methods for measuring chemical and biological waste. New features in this edition include: enhanced coverage of chemical fate and transport; industrial ecology, particularly how it is integrated with green chemistry; conservation principles and recent accomplishments in sustainable chemical science and technology; a new chapter addressing terrorism and threats to the environment; and the use of real world examples.

Six Questions of Socrates: A Modern-Day Journey of Discovery through World Philosophy Christopher Phillips 2011-01-17 How people around the world grapple with the great questions posed by Socrates. What is virtue? What is moderation? What is justice? What is courage? What is good? What is piety? Socrates thought that understanding the perspectives of others on these six great questions would help him become a more excellent human being. Following in Socrates's footsteps, Christopher Phillips—"Johnny Appleseed with a master's degree" (Utne Reader)—investigates these same questions, beginning in the marketplace of modern-day Athens. He goes on to investigate the timely responses and outlooks of people from different cultures and backgrounds around the world: from Greece and Spain to Japan and Korea, Mexico City, and Chiapas, where the region's indigenous people struggle for fundamental human rights. Phillips also traveled throughout the United States, holding dialogues in diverse communities from New York City to the Navajo Nation. Introducing us to less familiar thinkers in non-Western traditions who were kindred spirits of Socrates, Phillips enlarges our perspectives on life's fundamental questions, creating an innovative world survey of philosophy.

Throb Vi Keeland 2015-01-25 From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

Healed With A Kiss Gina Wilkins 2014-05-01 There are many words people use to describe Logan Carmichael, but romantic is not one of them. Even he can see the irony that he has become co-owner of the Bride Mountain Inn! Until he falls - hard - for the one woman who is determined to stay just out of his reach... Alexis Mosley might be the only wedding planner in the world who doesn't believe in happily-ever-after. She tells herself that she and Logan can just be 'friends with benefits'. But as Alexis surrenders herself to his embrace, she begins to wonder if there might be a fairytale ending in store for her after all...

SOS Help for Parents Lynn Clark 1996-01-01 This second edition of "SOS" provides parents with guidance for handling a variety of common behavior problems based on the behavior approach to child rearing and discipline. This approach suggests that good and bad behavior are both learned and can be changed, and proposes specific methods, skills, procedures, and strategies for parents to use in getting improved behavior from their children. The guide is divided into four sections. Section 1 presents some fundamentals of child behavior and effective discipline. Some of the causes of children's misbehavior are examined as well as ways of increasing good behavior and eliminating bad ones. Section 2 provides advice for implementing the "time-out" method. Section 3 gives suggestions on how to: (1) manage bad behavior away from home; (2) use points, tokens, and contracts; (3) use time-out on two children at the same time; (4) use time-out on a toy instead of the child; (5) handle aggressive and dangerous behavior; and (6) help children express feelings. Section 4 suggests some additional resources for helping children. Each chapter includes a review of the most important ideas and instructions presented. The book's two appendices include an index of problem behaviors, quizzes and answers for parents, more resources for professionals, and tear-out sheets for parents and teachers. Approximately 60 references are included. A videotape, not available from ERIC, demonstrates the child-rearing rules, and errors to avoid, as well as other child management methods. A printed "Video Leader's Guide" for the training leaders provides objectives, suggested outlines for workshops, and guidelines for discussing the behavior vignettes in the video. Workshop evaluation forms and handouts are appended. A parent audio cassette on how to use "time out" effectively is also part of this multimedia package. (HTH)

Spiritual Warfare Karl I. Payne 2021-03 The Bible is clear that we face three different types of opposition while attempting to successfully navigate life as Ambassadors for Christ. Our opposition is identified in Scripture as "the world" (1 John 2:15-17), "the flesh" (Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather than just sincerely. In Spiritual Warfare, Dr. Karl Payne-- pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.
