Elementary Grammar Simon Kerl 1863

A Changing World Terence Kearey 2012-01-28 This is the story of life in an English town and an English community as seen through the eyes of an ordinary English family - the author's own. It focuses on the years from the 1930s through to the 1960s and covers a period when the country was changing perhaps faster that it ever has before or since. From a familiar world in which life was simple and expectations modest, values were upheld and the community spirit prevailed. Britain was plunged into the chaos of war at a time when most people could all too clearly recall the horror of the preceding one. Never have the British people pulled together so strongly as they did in the war years, but with peacetime in the 1940s came unexpected challenges - economic strife, a slackening of social mores and moral codes and a new materialism. With these changes came new attitudes to work and its rewards which would greatly hamper our recovery. Terence Kearey's portrait of an England responding to the pressure of rapid social and economic change has the authority of meticulous research - yet its intimate perspective renders it far more personal and vivid than any ordinary history book.

Introductory Lessons in English Grammar for Use in Intermediate Grades William Henry Maxwell 1894

Analyzing the Grammar of English Richard V. Teschner 2007-04-19 Analyzing the Grammar of English offers a descriptive analysis of the indispensable elements of English grammar. Designed to be covered in one semester, this textbook starts from scratch and takes nothing for granted beyond a reading and speaking knowledge of English. Extensively revised to function better in skills-building classes, it includes more interspersed exercises that promptly test what is taught, simplified and clarified explanations, greatly expanded and more diverse activities, and a new glossary of over 200 technical terms. Analyzing the Grammar of English is the only English grammar to view the sentence as a strictly punctuational construct—anything that begins with a capital letter and ends

with a period, a question mark, an exclamation mark, or three dots—rather than a syntactic one, and to load, in consequence, all the necessary syntactic analysis onto the clause and its constituents. It is also one of the very few English grammars to include—alongside multiple examples of canonical or "standard" language—occasional samples of stigmatized speech to illustrate grammar points. Students and teachers in courses of English grammatical analysis, English teaching methods, TESOL methods, and developmental English will all benefit from this new edition.

Building Writing Skills the Hands-on Way Jenia Walter 2016-01-01 BUILDING WRITING SKILLS THE HANDS-ON WAY, 1st Edition teaches you the skills you need to become a college-level writer, reader, and critical thinker. The book takes the grr out of grammar, provides helpful instruction on writing sentences and paragraphs, and makes the essay writing process clear by leading you through lessons that include engaging hands-on activities. The friendly, informal tone makes the book easy to read, and the real-world examples and exercises are drawn from a variety of life experiences and perspectives. In short, this book makes the learning process more fun, less intimidating, and more effective. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Lesson Before Dying Ernest J. Gaines 2015-06-18 An Oprah Book Club selection Winner of the National Book Critics Circle Award for Fiction Nominated for a Pulitzer Prize In a small Cajun community in the late 1940s, a young black man named Jefferson witnesses a liquor store shootout in which three men are killed. The only survivor, he is convicted of murder and sentenced to death. Gaines explores the deep prejudice of the American South in the tradition of Harper Lee's To Kill A Mockingbird and Toni Morrison's Beloved. A Lesson Before Dying is a richly compassionate and deeply moving novel, the story of a young black man sentenced to death for a murder he did not commit, and a teacher who hopes to ease his burden before the execution.
