**Something Wilder** Christina Lauren 2022-05-17 "Growing up the daughter of notorious treasure hunter and absentee father Duke Wilder left Lily without much patience for the profession . . . or much money in the bank. But Lily is nothing if not resourceful, and now uses Duke's coveted hand-drawn maps to guide tourists on fake treasure hunts through the treacherous and storied red rock canyons of Utah. It pays the bills but doesn't leave enough to fulfill her dream of buying back the beloved ranch her father sold years ago. Treasured land wasn't her only loss that fateful summer, and when the man she once loved walks back into her life with a motley crew of his friends ready to hit the trails, the usually self-reliant cowgirl is thrown. Frankly Lily would like to take him out into the wilderness and leave him there. Leo Grady knew mirages were a thing in the desert, but they'd barely left civilization when the silhouette of his greatest regret comes into focus in

the flickering light of the campfire. Ready to leave the past behind them, Leo wants nothing more than to reconnect with his first and only love. But Lily Wilder is all business, drawing a clear line in the sand: it's never going to happen. Unfortunately, emotions won't be led like a horse to water, and even out in the desert it's impossible to ignore the heat of attraction. But when the trip goes horribly and hilariously wrong, the group realizes the idea of hidden treasure wasn't so crazy after all. Finding themselves alone in the isolated and dangerous mazes of the Canyonlands, Leo and Lily must decide whether they trust Duke's maps-and each other-enough to risk their lives and hearts for the adventure of a lifetime"--

**God's Feminist Movement** Amber Picota 2016-07-19  
Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ

and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

**The Mystery Queen** Fergus Hume 2020-09-28 Lillian stared at the closed door through which both her father and Mrs. Bolstreath had passed, and then looked at Dan, sitting somewhat disconsolately at the disordered dinner-table. She was a delicately pretty girl of a fair fragile type, not yet twenty years of age, and resembled a shepherdess of Dresden china in her dainty perfection. With her pale golden hair, and rose-leaf complexion; arrayed in a simple white silk frock with snowy pearls round her slender neck, she looked like a wreath of faint mist. At least Dan fancifully thought so, as he stole a glance at her frail beauty, or perhaps she was more like a silver-point drawing, exquisitely fine. But whatever image love might find to express her loveliness, Dan knew in his hot passion that she was the one girl in the world for him. Lillian Halliday was a much better name for her than Lillian Moon. Dan himself was tall and slim, dark and virile, with a clear-cut, clean-shaven face suggestive of strength and activity. His bronzed complexion suggested an open-air life, while the eagle look in his dark eyes was that new vast-distance expression rapidly being acquired by those who devote themselves to aviation. No one could deny Dan's good looks or clean life or daring nature, and he was all that a girl could desire in the way of a fairy prince. But fathers do not approve of fairy princes unless they come laden with jewels and gold. To bring such to Lillian was rather like taking coals to Newcastle since her father was so wealthy; but much

desires more, and Sir Charles wanted a rich son-in-law. Dan could not supply this particular adjective, and therefore--as he would have put it in the newest slang of the newest profession--was out of the fly. Not that he intended to be, in spite of Sir Charles, since love can laugh at stern fathers as easily as at bolts and bars. And all this time Lillian stared at the door, and then at Dan, and then at her plate, putting two and two together. But in spite of her feminine intuition, she could not make four, and turned to her lover--for that Dan was, and a declared lover too--for an explanation.

They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

The Wild Series (#1-3) Adriane Leigh 2016-01-08 All three books of the USA Today Bestselling Wild Series are included in this collection. Each individual book is available to borrow for FREE in the Kindle Unlimited program. WILD (Book One) Kat Kennedy moved to the rugged coast of Maine to start a new life, but encountered much more than she bargained for in dark, dangerous, and seductive Lane Wild. Desire and temptation smolder before she succumbs to her darkest fantasies with the captivating stranger. She doesn't expect to see him again after an explosive one-night stand leaves her breathless and craving more, but just like lightning in

the darkness, he shows up in her life at the most unpredictable moments. A sensual game of cat and mouse ensues before the attraction between them reaches a fever pitch--the magnetism combustible, the sexual tension nearly unbearable--and Kat finally abandons inhibition and explores the cunning, selfish, and sexual side of a world she's never known. They have the perfect non-relationship--passion-fueled nights with no strings attached--until life gets real and the past and present collide in a dangerous storm of lust and obsession.

RIDGE (Book Two) Sometimes doing the wrong thing feels so right... I'm a player. I'm an asshole. I'm someone you should stay away from. I have demons. I've made mistakes. And the biggest can't be taken back. I've gone to hell and back in twenty-nine years and I'm only now coming to terms with moving forward, righting my wrongs, and making amends. Except not everyone deserves forgiveness. Sometimes the damage done is beyond repair. Everyday is exactly the same. I focus on the pain, in the quest to feel and forget, but I remember everything. When I close my eyes the darkness encroaches and some days it feels like the things that kill me are the things that make me feel alive.

SLADE (Book Three) Behind every beautiful thing, there is some kind of pain... Always overlooked. Always just there. That's what Dillon was to me. Until one night. In one night she flipped my world on its axis and there's no going back. But she has secrets, and secrets fester like an open wound. They color the past and forecast the future, but I'm determined to open her up; free her from her memories so she can live in the light and have the life she deserves. It's just too bad that she wants nothing to do with me. But I'm nothing if not persistent and I'm not a man that gives up without a fight. I've had a

taste and there's no walking away. I just have to convince her that I'm not what she fears, I'm what she wants. \*The Wild brothers are rough around the edges, dirty-talkin', alpha males. Read at your own risk.
