*The Perfect Shot* Elaine Marie Alphin 2013-08-01 Someone murdered Brian's girlfriend, Amanda. The police think it was her father. Brian isn't so sure. But everyone he knows is telling him to move on, get over it, focus on the present. Focus on basketball. Focus on hitting the perfect shot. Brian

hopes that the system will work for Amanda and her father. An innocent man couldn't be wrongly convicted, could he? But then Brian does a school project on Leo Frank, a Jewish man lynched decades ago for the murder of a teenage girl—a murder he didn't commit. Worse still, Brian's teammate Julius gets arrested for nothing more than being a black kid in the wrong place at the wrong time. Brian can't deny any longer that the system is flawed. As Amanda's father goes on trial, Brian admits to himself that he knows something that could break the case. But if he comes forward, will the real killer try for another perfect shot—this time against Brian?

*Return of the Ghost Cadet* Rebecca Welker  
2009-01-25 I have a confession to make. When I read, I run one finger along the text, just to keep my place. It's weird, I know- and it makes it look like I'm about seven, or illiterate. But I'm not, I swear- at least you believe me. That's more than I can say for my English teacher. The funny thing is, everything that happened afterward is a direct result of this finger in the text thing, and even though that makes for a weird story, you've got time to listen, so just chill and I'll tell you all about it.

**Appalachian Children's Literature** 2009-10-15 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present. Titles represent the entire region as defined by the Appalachian Regional Commission, including portions of 13 states stretching from southern New York to northern Mississippi. **Ghosts of Manhattan (A Ghost Novel)** George Mann  
2014-09-12 1926, New York City. It's the roaring twenties but not as history remembers it. Coal-powered cars line the streets, while zeppelins and biplanes patrol the skies. The US is locked in a bitter cold war with a British Empire that still covers half the globe and the "Lost Generation" is drinking away the nightmares of the trenches. In Manhattan a run-down police force is losing the fight against a tide of powerful mobsters, and against one in particular: The Roman. His henchmen - not all of them human - stalk the streets, and the body count is rising. It's a time in need of a hero. It's a time in need of The Ghost.

Thayer's Return: Early History of West Point in Verse. H. J. Koch

*Ghost Flames* Charles J. Hanley 2020-08-25 A powerful, character-driven narrative of the Korean War from the Pulitzer Prize-winning writer who helped uncover some of its longest-held and darkest secrets. The war that broke out in Korea on a Sunday morning seventy years ago has come to be recognized as a critical turning point in modern history -- as the first great clash of arms of the Cold War, the last conflict between superpowers, the root of a nuclear crisis that grips the world to this day. In this vivid, emotionally compelling, and highly original account, Charles J. Hanley tells the story of the Korean War through the eyes of twenty individuals who lived through it--from a North Korean refugee girl to an American nun, a Chinese general to a black American prisoner of war, a British journalist to a U.S. Marine hero. This is an intimate, deeper kind of history, whose meticulous research and rich detail, drawing on recently unearthed materials and eyewitness accounts, bring the true face of the Korean War, and the vastness of its human tragedy, into a sharper focus than ever before. The "forgotten war" becomes unforgettable.

**Ghost Cadet** Elaine Marie Alphin 1992-05-01 A young boy earns respect and friendship when he meets the ghost of a Civil War soldier.

**Ghost Soldier** Elaine Marie Alphin 2015-06-02 The ghost of a young soldier from the Civil War haunts a troubled teen. "I sat up. The jagged trenches were only soft grassy depressions in the sunny battlefield park. I felt tears burn my eyes, the relief was so strong, and then the misery of losing the ghost hit me." Alexander has the ability to see ghosts. But it's been several years since his last encounter. When he reluctantly joins his father on a long trip away from home, a surprise awaits him. In the unfamiliar territory of North Carolina, Alexander is confronted by the ghost of a young soldier who lost his life in the Civil War. As an unusual friendship develops between the two, Alexander is drawn into a new reality where he comes face to face with the haunting past of his soldier friend. But can Alexander help this troubled ghost, and can he, finally, come to terms with his own disturbing past? With deftness and insight, Elaine Marie Alphin tells a gripping story that weaves the supernatural with the historical. Ghost story fans and Civil War buffs alike are in for a real treat. *Ghost Soldier* is a nominee for the 2002 Edgar Award for Best Juvenile Mystery.

**Recreating the Past** Lynda G. Adamson 1994-01-01 Helping young people select appropriate historical fiction is easy with this annotated bibliography of

970 recommended American and world titles published to early 1994. Spanning grades 1-10+ it includes adult titles suitable for young adult readers. At least 200 of the titles are award winners. Each entry contains both reading and interest grade levels, a short incisive annotation about the historical event, setting, plot, protagonist and theme, current publication availability, and awards won. Seven reference appendices allow the user to search by country of setting, reading and interest grade level, protagonists from minority groups, sequels or the same characters in a series, important historical dates, and a glossary of historical and famous people or groups appearing in the works.

**Valley Thunder** Charles R. Knight 2010-05-10 An “exciting and informative” account of the Civil War battle that opened the 1864 Shenandoah Valley Campaign, with illustrations included (Lone Star Book Review). Charles Knight’s *Valley Thunder* is the first full-length account in decades to examine the combat at New Market on May 15, 1864 that opened the pivotal Shenandoah Valley Campaign. Lt. Gen. Ulysses S. Grant, who set in motion the wide-ranging operation to subjugate the South in 1864, intended to attack on multiple fronts so the Confederacy could no longer “take advantage of interior lines.” A key to success in the Eastern Theater was control of the Shenandoah Valley, an agriculturally abundant region that helped feed Gen. Robert E. Lee’s Army of Northern Virginia. Grant tasked Maj. Gen. Franz Sigel, a German immigrant with a mixed fighting record, and a motley collection of units numbering some 10,000 men to clear the Valley and threaten Lee’s left flank. Opposing Sigel was Maj. Gen. (and former US Vice President) John C. Breckinridge, who assembled a scratch command to repulse the Federals. Included in his 4,500-man army were Virginia Military Institute cadets under the direction of Lt. Col. Scott Ship, who’d marched eighty miles in four days to fight Sigel. When the armies faced off at New Market, Breckinridge told the cadets, “Gentlemen, I trust I will not need your

services today; but if I do, I know you will do your duty.” The sharp fighting seesawed back and forth during a drenching rainstorm, and wasn’t concluded until the cadets were inserted into the battle line to repulse a Federal attack and launch one of their own. The Union forces were driven from the Valley, but would return, reinforced and under new leadership, within a month. Before being repulsed, they would march over the field at New Market and capture Staunton, burn VMI in Lexington (partly in retaliation for the cadets’ participation at New Market), and very nearly capture Lynchburg. Operations in the Valley on a much larger scale that summer would permanently sweep the Confederates from the “Bread Basket of the Confederacy.” *Valley Thunder* is based on years of primary research and a firsthand appreciation of the battlefield terrain. Knight’s objective approach includes a detailed examination of the complex prelude leading up to the battle, and his entertaining prose introduces soldiers, civilians, and politicians who found themselves swept up in one of the war’s most gripping engagements.

**Germ Hunter** Elaine Marie Alphin 2003-08-01 Growing up in the 1830s, Louis Pasteur saw the horrifying effects of diseases like rabies and tuberculosis. Filled with curiosity and imagination, Pasteur began a lifelong search for answers to his many questions about diseases. Although many scientists disagreed with his unusual ideas, his discoveries made him famous. Through his dedication and insight, Pasteur saved millions of lives and laid the groundwork for future medical advancements.

**Around New Market** James R. Graves 2007 Central to the Shenandoah Valley of Virginia, the town of New Market lies at the western base of the Massanutten range. Its crossroads go back to two Native American hunting trails that crossed here throughout the ages. By the 1740s, Swiss-German settlers began moving southward from the Lancaster, Pennsylvania, region and settled in New Market, followed by Scotch-Irish immigrants. According to folklore, when it was incorporated in 1796, the community was named New Market after the famous race course in England. The area still shines with its agrarian roots, while over the years, it has fostered many educational institutions and maintained historically heavy commerce.
