Professional Fashion Design Manuela Brambatti 2017-08-08
A design tutorial by Daniela Bambrilla, Versace's chief design illustrator, the book is an idea of couturier Favio Marconi who, impressed by her drawing style, her unique taste designing fashion collections and the precision with which she captures the flow of fabric over the body, convinced her to put it into print. Here Bambrilla reveals her fresh and innovative style, not better than others, as she writes, but original and distinctive for Versace's workshop, halfway between fashion sketching and illustration. Manuela Brambatti began to work in the fashion world in the late '70's for the fashion magazine Style and for other magazines. She has collaborated with Giorgio Correggiari, Krizia, and Gian Marco Venturi. Employee, and later exclusive partner of the Versace fashion house from 1981 to 2009, Manuela, was crucial in setting standards in the Style magazine for the presentation of all fashion collections and their illustrations and, in recent years, the Home Collection of the Brand. Foreword writer Bruno Gianesi worked for Gianni Versace's for sixteen years as head stylist and manager of theatrical projects. He designed costumes for respected choreographers and directors such as Maurice Béjart, Roland Petit, William Forsythe, and Bob Wilson and designed also clothing for famous members of the international jet-set, including Elton John, Madonna, Lady Diana, and Sting. The journalist and foreword writer Tony di Corcia published several books about Gianni Versace.

NIVAC Bundle 6: Gospels, Acts Michael J. Wilkins

2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Fashion Drawing Michele Wesen Bryant 2011 Fashion Drawing is a comprehensive, practical guide to fashion drawing for students. The author covers men, women and children, starting with how to draw the fashion figure and continuing with garments and garment details, before teaching the reader how to render various types of fabric. Contemporary in its approach and offering step-by-step guidance, the book emphasizes drawing as an integral function of the garment design process. Students learn how to manipulate various garment details with consideration for scale, construction and colour as well as keeping in mind the profile of the potential customer. Illustrated throughout with a wide range of images from illustrators and designers working in today's market, Fashion Drawing provides both the inspiration and the instruction necessary to allow students to develop their own illustration style.
