Rules of Play

Katie Salen Tekinbas 2003-09-25 An impassioned look at games and game design that offers the most ambitious framework for understanding them to date. As pop culture, games are as important as film or television—but game design has yet to develop a theoretical framework or critical vocabulary. In Rules of Play Katie Salen and Eric Zimmerman present a much-needed primer for this emerging field. They offer a unified model for looking at all kinds of games, from board games and sports to computer and video games. As active participants in game culture, the authors have written Rules of Play as a catalyst for innovation, filled with new concepts, strategies, and methodologies for creating and understanding games. Building an aesthetics of interactive systems, Salen and Zimmerman define core concepts like "play," "design," and "interactivity." They look at games through a series of eighteen "game design schemas," or conceptual frameworks, including games as systems of emergence and information, as contexts for social play, as a storytelling medium, and as sites of cultural resistance. Written for game scholars, game developers, and interactive designers, Rules of Play is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design.

The Diablo: The Kingdom of Shadow
Richard A. Knaak 2002-08-14 Since the beginning of time, the angelic hosts of the High Heavens and the demonic hordes of the Burning Hells have been locked in a struggle for the fate of all Creation. That struggle has now come to the mortal realm...and neither Man nor Demon nor Angel will be left unscathed.... Legend speaks of a long-dead city known as Ureh, thought by many to have been a gateway to the High Heavens. It is believed that every two thousand years, when the stars align and the shadow of Mount Nymyr falls upon the ruins, Ureh is reborn -- and all its lost riches are revealed to those brave enough to seek them out. Now, after a lifetime of research and intense calculation, the Vizjerei sorcerer, Quov Tsin, has come to witness Ureh’s rebirth for himself. But that which awaits Tsin and his hired band of mercenaries is nothing like what they expected. They will find that the dream of radiant Ureh is, in fact, a twisted nightmare of horror -- one that will draw them inexorably into The Kingdom of Shadow An original tale of swords, sorcery, and timeless struggle based on the bestselling, award-winning M-rated computer game from Blizzard Entertainment. Intended for mature readers.

Achtung-Panzer!
Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian’s book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian’s classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Killzone: Ascendancy
Sam Bradbury 2011-02-24 'There is no poetry or romance in war, it is brutal and ugly and terrifying and it turns men into animals - shrieking, screaming and running while destroying all in their path. It is survival' Visari, the vicious Helghast dictator, is vanquished, lying dead at the feet of ISA forces soldiers Sev and Rico. Yet the battle is far from over. Visari’s death has wreaked havoc in the Helghast Empire, leaving a legacy of destruction. His last act of violence - a nuclear bomb - has decimated the Special Forces. Sev and Rico must complete their mission alone. They will fight to the death to keep the ruthless Helghast troops at bay. Based on Sony’s bestselling game Killzone 3

Fundamentals of Game Design
Ernest Adams 2010-04-07 To create a great video game, you must start with a solid game design: A well-designed game is easier to build, more entertaining, and has a better chance of succeeding in the marketplace. Here to teach you the essential skills of player-centric game design is one of the industry’s leading authorities, who offers a first-hand look into the process, from initial concept to final tuning. Now in its second edition, this updated classic reference by Ernest Adams offers a complete and practical approach to game design, and includes material on concept development, gameplay design, core mechanics, user interfaces, storytelling, and balancing. In an easy-to-follow approach, Adams analyzes the specific design challenges of all the major game genres and shows you how to apply the principles of game design to each one. You’ll learn how to: Define the challenges and actions at the heart of the gameplay. Write a high-concept document, a treatment, and a full design script. Understand the essentials of user interface design and how to define a game’s look and feel. Design for a variety of input mechanisms, including the Wii controller and multi-touch iPhone. Construct a game’s core mechanics and flow of resources (money, points, ammunition, and more). Develop appealing stories, game characters, and worlds that players will want to visit, including persistent worlds. Work on design problems with engaging end-of-chapter exercises, design worksheets, and case studies. Make your game accessible to broader audiences such as children, adult women, people with disabilities, and casual players. “Ernest Adams provides encyclopedic coverage of process and design issues for every aspect of game design, expressed as practical lessons that can be immediately applied to a design in-progress. He offers the best framework I’ve seen for thinking about the relationships between core mechanics, gameplay, and player—one that I’ve found useful for both teaching and research.” — Michael Mateas, University of California at Santa Cruz, co-creator of Façade

Bedlam
Christopher Brookmyre 2013-02-07 HEAVEN IS A PRISON, HELL IS A PLAYGROUND. Ross Baker is an overworked scientist developing medical technology for corporate giant Neurosphere, but he’d rather be playing computer games than dealing with his nightmare boss or slacker co-workers. He volunteers as a test candidate for the new tech - anything to get out of the office for a few hours. But when he emerges from the scanner he discovers he’s not only escaped the office, but possibly escaped real life for good. He’s trapped in Starfire - a video game he played as a child - with no explanation, no backup and, most terrifyingly, no way out.

Borderlands 7
Olivia F. Monteleeone 2021-12-12 Borderlands 7 is the current volume of the continuing anthology series that has garnered awards and praise for its contributors and editors for more than twenty-five years. It is a non-themed gathering of stories which push the boundaries of genre fiction with provocative tales of the surreal and the weird. You will find no zombies, no serial killers, no vampires, no ghosts ... or any other familiar genre tropes or icons within these pages. Borderlands fiction is typified by its absolutely mythical nature. The editors offer herewith a wide range of fiction varying in tone, length, style, and theme. The path to the Borderlands of contemporary, imaginative fiction is traveled by writers who believe they can write a story that is so unique and memorable it demands to be a part of this current volume. The result is a grand amalgam of respected masters, solid veterans, and bold newcomers. After reading many hundreds of submissions, the editors are proud to present an All-Star cast. And they are: Meghan Arcuri, Michael Bailey, Gary A. Braunbeck, Michael Scott Bricker, Cory Cone, Roby Davies, John DeChancie, Louis Dixon, Caitlin R. Kiernan, Felicia Lee, Bentley Little, Lisa Mannetti, Richard Christian Matheson, Robert McCammon, Donna J. W. Munro, Stephanie Pendley Paul, Bill Pronzini, Stephen Mark Rainey, Lucy A. Snyder, Daniel Waters, Tim Waggoner, Paul Wilson, and Leo Zaccari.

God of War J.M.
Barlog 2018-08-28 The novelization of the highly anticipated God of War 4. His vengeance against the Gods of Olympus years behind him, Kratos now lives as a man in the realm of Norse gods and monsters. It is in this harsh, unforgiving world that he must fight to survive... and teach his son to do the same. This startling reimagining of God of War deconstructs the core elements that defined the series—satisfying combat; breathtaking scale; and a powerful narrative—and fuses them anew.

The Art of God of War III
Daniel Wade 2010 Takes you behind the scenes of Sony’s biggest 2010 game release, featuring character and environment concept art and production art.

Double, Volume 4
Ayako Ayako Noda 2022-07-19 Scatterbrained Takara Takarada is an undiscovered genius actor who fully embodies every character he’s cast as, delivering unforgettable performance after performance onstage. But this genius can only be brought forth by his best friend and fellow actor, Yuuji Kamojima, who cares for Takara even as he envies him for his innate talent. When it takes the two of them together to bring a character to life, what will happen when Takara is scouted away from their small-time theater troupe and thrust into the new world of television instead? Can Takara survive without Yuuji’s guidance... and how does Yuuji respond to being left behind?
