Silver Surfer J. Michael Straczynski 2008-07-23
For untold years Norrin Radd has surfed the galaxy, exploring the darkness between stars, witnessing the rise and fall of vast civilizations. Now his ride is about to come to an end. It starts with a small spot - a blemish that will spread until he is no more. Until then, the Silver Surfer would undertake his final voyage - to the one destination that has always eluded him. His journey starts where it began. Guest-starring the Fantastic Four! Collects Silver Surfer: Requiem (2007) #1-4.

Gassire's Lute Alta Jablow 1990-11-01 A rousing tale of wars and heroes, Gassires Lute recounts the fall of the city-state Wagadu and tells how Gassire, warrior son of the ruling family, renounced his noble birth to become his peoples first bard. As an example of the relatively unknown oral literature of Africa, this poem is rich in historical and cultural interest. But it can be read and enjoyed simply as a beautiful and exciting story that shows clearly the universality of art and of human experience. The Waveland reprint includes an essay by the translator (The Origin of Soninke Bardic Art), which is meant to provide pertinent information for understanding and enjoying the poem.

Once Upon a Time in America Lee Hays 1984
Chronicles the life and career of one man involved for thirty-five years in American organized crime

Solid State and Semiconductor Physics John P. Mckelvey 1985

Sold to the Sheikh Chloe Cox 2012-10-21 Stella

Spencer is grateful for any job she can get after her divorce, even if it's at an exclusive BDSM sex club. And Club Volare proves the perfect place to hide while she mends a shattered heart-until she interrupts an auction scene, and the powerful Sheikh Bashir al Aziz bin Said decides that Stella is the woman that he wants. At Club Volare for one last wild weekend before his family requires him to settle down, Sheikh Bashir doesn't expect to find a woman who challenges him. But Stella Spencer is a challenge, all right: both vulnerable and guarded, beautiful and insecure, and a closet submissive. And she's hiding something. Stella is afraid to open her heart to love again after the way she's been hurt, but Sheikh Bashir wants to be the Dom to show her who she truly is-and Sheikh Bashir always gets what he wants.

Speak with Power and Confidence Patrick Collins 2009 Provides advice and simple techniques for communicating effectively in speeches, business presentations, negotiations, job interviews, media interviews, and other situations where verbal skills are crucial for projecting a powerful and confident image. Original.

Monk's Eye Cees Nooteboom 2018-03 Cees Nooteboom wrote the poems that make up *Monk's Eye* on two islands: he began them on the Dutch island of Schiermonnikoog and finished them on the Spanish island of Minorca, where he has spent summers for decades. The poems-- which can be read individually or, all together, as the record of a poet's life--are about the two islands. But they're also about islands as an archetype, about the serenity that we can find on beaches and amid dunes, the sea sweeping imperturbably around us. Accompanied by Sunandini Banerjee's collages, the poems in this volume are rich in allusion; they address the past, memories, illusions, dreams, and the heart of all poetry--which Nooteboom locates in the opening line of Plato's *Phaedrus*, when Socrates, walking with his admirer, asks, "My dear *Phaedrus*, whence came you, and whither are you going?"

The Rich Man and the Singer Mesfin Habte-Mariam 1971 Thirty-two folktales from Ethiopia, twenty-seven of which are from the Amhara people of the central high country.

Behind the Back of the Mountain Verna Aardema 1973 Ten folk legends from southern Africa include Hottentot, Zulu, and Bantu tales.

Speak with Distinction Edith Skinner 2007-02-01 (Applause Acting Series). The classic Skinner method to speech for the stage! This 75-minute audio CD and booklet is a companion to the paperback *Speak with Distinction* (ISBN 1557830479). Revised with new material added by Timothy Monich and Lilene Mansell.

SOS Help for Parents Lynn Clark 1996-01-01 This second edition of "SOS" provides parents with guidance for handling a variety of common behavior problems based on the behavior approach to child rearing and discipline. This approach suggests that good and bad behavior are both learned and can be changed, and proposes specific methods, skills, procedures, and strategies for parents to use in getting improved behavior from their children. The guide is divided into four sections. Section 1 presents some fundamentals of child behavior and effective discipline. Some of the causes of children's misbehavior are examined as well as ways of increasing good behavior and eliminating bad ones. Section 2 provides advice for implementing the "time-out" method. Section 3

gives suggestions on how to: (1) manage bad behavior away from home; (2) use points, tokens, and contracts; (3) use time-out on two children at the same time; (4) use time-out on a toy instead of the child; (5) handle aggressive and dangerous behavior; and (6) help children express feelings. Section 4 suggests some additional resources for helping children. Each chapter includes a review of the most important ideas and instructions presented. The book's two appendices include an index of problem behaviors, quizzes and answers for parents, more resources for professionals, and tear-out sheets for parents and teachers. Approximately 60 references are included. A videotape, not available from ERIC, demonstrates the child-rearing rules, and errors to avoid, as well as other child management methods. A printed "Video Leader's Guide" for the training leaders provides objectives, suggested outlines for workshops, and guidelines for discussing the behavior vignettes in the video. Workshop evaluation forms and handouts are appended. A parent audio cassette on how to use "time out" effectively is also part of this multimedia package. (HTH)

Abie's Irish Rose Anne Nichols 1937 Although ethnic caricatures may cause resentment, this play is about the spirit of religious tolerance. For fourteen years it was Broadway's longest-running play as love conquers all for a Jewish boy and an Irish girl.

Six Questions of Socrates: A Modern-Day Journey of Discovery through World Philosophy Christopher Phillips 2011-01-17 How people around the world grapple with the great questions posed by Socrates. What is virtue? What is moderation? What is justice? What is courage? What is good? What is piety? Socrates thought that understanding the perspectives of others on these six great questions would help him become a more excellent human being. Following in Socrates's footsteps, Christopher Phillips—"Johnny Appleseed with a master's degree" (Utne Reader)—investigates these same questions, beginning in the marketplace of modern-day Athens. He goes on to investigate the timely responses and outlooks of people from different cultures and backgrounds around the world: from Greece and Spain to Japan and Korea, Mexico City, and Chiapas, where the region's indigenous people struggle for fundamental human rights. Phillips also traveled throughout the United States, holding dialogues in diverse communities from New York City to the Navajo Nation. Introducing us to less familiar thinkers in non-Western traditions who were kindred spirits of Socrates, Phillips enlarges our perspectives on life's fundamental questions, creating an innovative world survey of philosophy.

Spurgeon on Prayer & Spiritual Warfare Charles H. Spurgeon 1998-11-01 Prayer is the Christian's lifeline to God, and with it, lives are

changed for eternity! Charles Spurgeon knew the secrets of prayer—divine principles and promises that God established for our every need. He reveals these principles and shares how God has answered the prayers of men and women since early biblical times. This anthology includes six of Spurgeon's classic books on prayer: *The Power in Prayer* *Praying Successfully* *The Golden Key of Prayer* *Finding Peace in Life's Storms* *Spurgeon on Praise* *Satan: A Defeated Foe* Because God keeps His promises, every Christian can have a prayer life that produces lasting results, both personally and in the kingdom of God. Discover how you, too, can develop essential characteristics required for power-packed prayer!

Greedy Mariani and Other Folktales of the Antilles Dorothy Sharp Carter 1974 Wit and wisdom are combined in this anthology of twenty animal and adventure stories from Latin America

Environmental Chemistry, Eighth Edition Stanley E. Manahan 2004-08-26 *Environmental Chemistry, Eighth Edition* builds on the same organizational structure validated in previous editions to systematically develop the principles, tools, and techniques of environmental chemistry to provide students and professionals with a clear understanding of the science and its applications. Revised and updated since the publication of the best-selling Seventh Edition, this text continues to emphasize the major concepts essential to the practice of environmental science, technology, and chemistry while introducing the newest innovations to the field. The author provides clear explanations to important concepts such as the anthrosphere, industrial ecosystems, geochemistry, aquatic chemistry, and atmospheric chemistry, including the study of ozone-depleting chlorofluorocarbons. The subject of industrial chemistry and energy resources is supported by pertinent topics in recycling and hazardous waste. Several chapters review environmental biochemistry and toxicology, and the final chapters describe analytical methods for measuring chemical and biological waste. New features in this edition include: enhanced coverage of chemical fate and transport; industrial ecology, particularly how it is integrated with green chemistry; conservation principles and recent accomplishments in sustainable chemical science and technology; a new chapter addressing terrorism and threats to

the environment; and the use of real world examples.

Folklore from Africa to the United States

1976 Geannoteerde lijst van Afrikaanse volksverhalen voor volwassenen en kinderen, die van belang zijn voor de westindische, noord- en zuidamerikaanse cultuur. Omvat o.a. fabels, mythen en sprookjes, die door geleerden, handelaars, kinderen, kolonisten en missionarissen vastgelegd zijn

Coral Glynn Peter Cameron 2012-02-28 Nursing an elderly cancer patient in an isolated English countryside manse in 1950, Coral interacts with a disgruntled housekeeper and her charge's sexually torn and war-ravaged son until a child's game in the nearby woods goes violently wrong and culminates in a complicated marriage. 25,000 first printing.

Singularities: Formation, Structure and Propagation J. Eggers 2015-08-31 Explores a wide range of singular phenomena. Provides mathematical tools for understanding them and highlights their common features.

Social Problems Lorne Tepperman 2007 This is a core text for courses in social problems. Using a strong Canadian perspective, it examines the social dynamics and consequences of social problems (such as unemployment, poverty, global inequality) through the lens of the main sociological paradigms. It takes a broad approach and examines the social construction of social problems and the impact of social problems on individual and societal health. Possible solutions for individuals and society at large are examined.

Sorcery and Religion in Ancient Scandinavia Varg Vikernes 2011 "This book is written as an attempt to describe the traditions and beliefs of the Ancient Europeans" -- p. 6.

137: Jung, Pauli, and the Pursuit of a

Scientific Obsession Arthur I. Miller 2010-05-17 Arthur Miller tells the story of the unlikely friendship between polar opposites - the brilliant but disturbed physicist Wolfgang Pauli and the famous psychoanalyst Carl Jung. Pauli was fascinated by the inner reaches of his own psyche and not afraid to dabble in the occult, while Jung looked to science for answers to the psychological questions that tormented him. Their rich friendship led them, in Jung's words, into 'the no-man's land between physics and the psychology of the unconscious..... the most fascinating yet the darkest hunting ground of our times.' Both were obsessed with the far-reaching significance of number '137' - a primal number that seemed to hint at the origins of the universe itself. Their quest to solve its enigma led them on a journey into the ancient secrets of alchemy, the work of Johannes Kepler, and the Chinese Book of Changes. This captivating dual biography not only narrates the extraordinary collaboration between two of the greatest thinkers of the twentieth century but it also probes the very roots of modern science.

Spiritual Warfare Karl I. Payne 2021-03 The Bible is clear that we face three different types of opposition while attempting to successfully navigate life as Ambassadors for Christ. Our opposition is identified in Scripture as "the world" (1 John 2:15-17), "the flesh" (Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne--pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically

sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.

BloodBusters Francesco Verso 2020-04-10 What if taxes were paid through blood withdrawals? What if tax evasion was a crime punishable with imprisonment and enforced by the Bloodbusters? What if donating blood was illegal? In a grotesque Rome, BloodBuster Alan Costa falls in love with Anissa Malesano, a compulsive donor for AN underworld organisation who gives her blood to anyone in need. As a web of deceit and treachery spreads wide around Alan, he begins to wonder if he can trust his colleagues or even his own boss. When Anissa is jailed for tax evasion, Alan is faced with a choice that could cost him everything. Winner of the Urania Award "Full of savage humour, Francesco Verso imagines a tax system in Italy based upon blood. Amazingly this has nothing to do with actual zombies (to bend a bit the word 'actual'). Weirdly, BloodBusters is plausible and powerfully written, a high- spirited page-turner thanks to a great translation by Sally McCorry. Definitely this is the book to read after a holiday in Rome (though maybe not before). I shan't forget in a hurry Verso's Intravenous Revenue or the haemergency sirens and flashers of the taxbulance." Ian Watson, author of the screen story for Steven Spielberg's A.I. Artificial Intelligence

Agents of Innocence David Ignatius 2013-12-24 *Agents of Innocence* is the book that established David Ignatius's reputation as a master of the novel of contemporary espionage. Into the treacherous world of shifting alliances and arcane subterfuge comes idealistic CIA man Tom Rogers. Ordered to penetrate the PLO and recruit a high-level operative, he soon learns the heavy price of innocence in a time and place that has no use for it.
