*The Boyfriend Book* Michael Reid  
2018-08-15 An Empowering Book of Poems and Essays Fans of Milk and Honey by Rupi Kaur, Her by Pierre Alex Jeanty, Whiskey Words and a Shovel by r.h. Sin, and The Princess Saves Herself in this One by Amanda Lovelace will love *The Boyfriend Book* by Michael E. Reid. No more boyfriends: 300 women sat down with Mike, and after three hours, 299 of them agreed that they never wanted a boyfriend again. *The Boyfriend Book* tells you why. Modern love poems and philosophy: When entrusting her heart to somebody, a woman doesn't want to worry about the bad and the ugly, such as disloyalty and disrespect, indifference and contempt, micro-aggression and outright violence. In a perfect world, every guy would be a "good guy," and every guy would have her best interest at heart. Unfortunately, the real world is a dangerous place, particularly when women have to let strangers in. And

while some women are decent judges of character, others don't see the train coming until it hits them. Not only does this book serve as a cautionary tale, it also offers an important perspective on modern love and equips women with strategies to effectively change their love life and, most importantly, their inner lives. Transform your life with this powerful poetry book: Before you open this book, ask yourself: Where am I now? What are my struggles? What sort of pain do I carry? What parts of myself have I lost? Then, figure out where you want to be. This book will get you there. The possibilities for rebirth and reinvention are endless - but it's ultimately up to you to make it all happen. This book will help you find a way to go forward that does not involve sideways. Read it slow. Plant the seed. Let it grow. *The Boyfriend Book* is a gripping collection of short stories, thoughts and poems from Just Mike The Poet. *Beard Necessities* Penny Reid

2019-11-04 Billy Winston's family is going to see him happy and in love if it's the last thing they do. No one deserves a happily-ever-after quite as much as the second oldest Winston brother and his lady love, Claire McClure (aka Scarlet St. Claire). Cruelty and circumstance tore them apart almost twenty years ago. Secrecy and bitterness kept them separated. But you know who's tired of their separation and stubbornness? Everyone. Especially Billy Winston's family. And now they're going to do something about it. Well-meaning interference means the star-crossed lovers can't stop tripping over each other in the hills of Tuscany, the catacombs of Rome, and the waterways of Venice. Billy and Claire find themselves thrown together and at the mercy of the Winston siblings' shenanigans. But will their forced proximity bring them together? Or push them even further apart? This second-chance romance brings back the entire Winston gang, playing cupid in one last story of love, hi-jinks, and family collusion. BEARD NECESSITIES is a full-length contemporary romantic comedy, and can be read as a stand-alone, but it's probably best read after books 0.5, 2, 3, 5, and 6 of the Winston Brothers series.

And how would it feel to be alone now if you and your sister were the only ones to know the truth about what takes place behind closed doors at home? And what would you do if it was your parents who brought danger and terror into your

Follow Maddy and Reid on their journey where they learn how to let love in so that it can stay and shine forever. Let Love In: What would happen if you lost everything? If the people who were supposed to love you unconditionally were no longer there for you, how would your world change? That's exactly what happened to Madeleine Becker when her parents died when she was ten years old. Ripped from her home and everything that she has ever loved, she is forced to start all over again. The only way for her to move on is to build walls around her heart and keep everyone at a safe distance. Her logic: she can't get hurt if she doesn't fall in love. That theory is blown to pieces when she meets Reid Connely during her freshman year at college. He is gorgeous and darkly mysterious. He understands Maddy's pain all too well, but sharing his pain would mean breaking down the walls he put up around his own heart. Maddy's inner strength, snarky personality and breath taking beauty help Reid to make peace with his past. Together they find out what happens when they let love in. Let Love Stay: If you're lucky, you'll fall in love – truly,

madly and deeply in love. But what happens when that honest and pure love isn't enough to erase your fears? What happens when your past rears its ugly head and threatens your future? Maddy and Reid had that kind of love – the all-encompassing, Earth shattering, once in a lifetime kind of love. Then life happened. Old wounds that were thought to be long healed and scabbed over are ripped open and they are forced to face the possibility that, maybe, they are not strong enough to fight their demons and embrace the light. Together, they found out what love is, but now they will each need to heal on their own before they can ever be together again. They must face their fears and beat down their pasts in order to find their way through this crazy uphill battle called love. They've let love in, but now, they need to find out how to Let Love Stay. Let Love Shine: What comes after "they lived happily ever after?" Maddy and Reid have seen their fair share of trials and tribulations, of love and loss. Facing down the biggest challenges of their young lives, they managed to survive and endure. With the future stretching out before them, they must learn to navigate new and unfamiliar paths. News - Mental Floss - Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." -- Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the

time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.
