The Project Management Answer Book Jeff Furman 2014-12 If it's essential to project management... it's in here! The first edition of The Project Management Answer Book addressed all the key principles of project management that every project manager needs to know. With a new chapter on scrum agile, updates throughout, and many new PMP® test tips, this new edition builds on that solid foundation. The structure of this update maps closely to the PMBOK® Guide, Fifth Edition, and is designed to assist anyone studying for the PMP® and other certification exams. Helpful sections cover: • Networking and social media tips for PMPs, including the best professional organizations, virtual groups, and podcast resources • The formulas PMPs need to know, plus a template to help certification candidates prepare and self-test for their exams • Quick study sheet for the processes covered on the PMP® exam • Key changes in PMBOK® Guide, Fifth Edition, for readers familiar with earlier versions who want "the skinny" on the new version. PMPs at every level will find real gold in the information nuggets provided in this new edition. Those new to project management will find the comprehensive coverage and the depth of the answers especially valuable, and will like the easy-to-read style and Q&A format. For experienced managers looking for new tools and skills to help them pass their PMP® or other certification exams, this is a must-have resource.

Money and Schools David C. Thompson 2012 In the new edition of this essential, all-inclusive text, the authors provide more important research for future principals and others enrolled in graduate-level school finance courses. Written in a style that is highly readable, the book offers strong connections to real-world experiences. Readers get both a broad overview of funding concepts and a detailed examination of daily funding operations and will come away with a deep understanding of the relationship between money and student achievement. New to this edition: Current research on the impact of money on student learning outcomes, New concepts that are gaining traction, such as sustainability, Current web resources and recommended readin

Records and Information Management, Second Edition Patricia C. Franks 2018-10-10 As Information Management put it, "On the strength of its currency and coverage alone, Franks' book is poised to take over as the recommended go-to reference for both students and RIM professionals for many years to come." The new second edition cements this work's status as an up-to-date classic, its content updated and expanded to address emerging technologies, most notably blockchain, and evolving standards and practices. Inside, Franks presents complete coverage of the records and information lifecycle model, encompassing paper, electronic (databases, office suites, email), and new media records (blogs, chat messages, and software as a service). Informed by an advisory board of experts in the field and with contributions by noted authorities, the text addresses such key topics as the origins and development of records and information;the discipline of information governance and developing a strategic records management plan;creation/capture and classification;retention strategies, inactive records management, archives, and long-term preservation;access, storage, and retrieval;electronic records and electronic records management systems;the latest on rapidly evolving technologies such as web records, social media, and mobile devices;vital records, disaster preparedness and recovery, and business continuity;monitoring, auditing, and risk management; andeducation and training. This book's authoritative blend of theory and practice makes it a matchless resource for everyone in the archives and records management field. Instructor/trainer extras include a set of ready-to-go, customizable PowerPoint slides to accompany the text. Examination copies are available for instructors who are interested in adopting this title for course use.

Canadian Books in Print Marian Butler 2002-02 CBIP is the complete reference and buying guide to English-language Canadian books currently in print; consequently, the Author and Title Index, Subject Index and microfiche editions are indispensable to the book profession. With submissions from both small and large publishers, CBIP provides access to titles not listed anywhere else. Containing more than 48,000 titles, of which approximately 4,000 have a 2001 imprint, the Author and Title Index is extensively cross-referenced. The Subject Index lists the titles under 800 different subject categories. Both books offer the most complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses of more than 4,850 houses. The quarterly microfiche service provides updated information in April, July and October. CBIP is constantly referred to by order librarians, booksellers, researchers, and all those involved in book acquisition. In addition, CBIP is an invaluable record of the vast wealth of publishing and writing activity in the scientific, literary, academic and arts communities across Canada. A quarterly subscription service including the annual Author and Title Index (March 2001) plus quarterly microfiche updates (April, July, and October 2001) is also available. ISBN 0802049567 \$220.00 NET.

The Power of Passive Investing Richard A. Ferri 2010-12-07 A practical guide to passive investing Time and again, individual investors discover, all too late, that actively picking stocks is a loser's game. The alternative lies with index funds. This passive form of investing allows you to participate in the markets relatively cheaply while prospering all the more because the money saved on investment expenses stays in your pocket. In his latest book, investment expert Richard Ferri shows you how easy and accessible index investing is. Along the way, he highlights how successful you can be by using this passive approach to allocate funds to stocks, bonds, and other prudent asset classes. Addresses the advantages of index funds over portfolios that are actively managed Offers insights on index-based funds that provide exposure to designated broad markets and don't make bets on individual securities Ferri is also author of the Wiley title: The ETF Book and co-author of The Bogleheads' Guide to Retirement Planning If you're looking for a productive investment approach that won't take all of your time to implement, then The Power of Passive Investing is the book you need to read.

Business Law Nickolas James 2020-01-21 Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The Business Law interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers. **Urban Pest Management in Australia** Ion Staunton 2008-06-01 For 23 years and through four editions, Urban Pest Management in Australia has been the major reference work for Australian pest control operators. This fifth edition has been extensively revised to support the constantly evolving pest management industry. It features an accessible new format, fully updated chapters, additional colour plates and extra content, including a new section on putting pest control into practice. Ion Staunton draws on his 50 years of industry knowledge to bring Geroziosis and Haddington's pest management "bible" to a new generation of technicians.

Personal Finance: An Encyclopedia of Modern Money Management Barbara Friedberg 2015-04-14 This jargon-free resource explains the who, what, why, and where of contemporary personal finance in simple, easy-to-grasp language, covering the key people, events, terms, tools, policies, and products that make up modern money management. • Supplies accessible, comprehensive financial information that explains complex topics in simple language • Shows the relationship between personal finance and everyday life, from renting an apartment to saving for retirement • Answers a wide variety of personal finance questions • Provides a resource suitable for both personal and scholarly use **Personal Finance For Dummies** Eric Tyson 2006-08-28 Too many personal finance consultants offer financial advice that ignores the big picture and instead focuses on investing. You need much more than that to plan your future. You need a broader understanding of personal finance that includes all areas of your financial life in order to become financially sound. Personal Finance for Dummies, 5th Edition is full of detailed, action-oriented financial advice that will show you how to lower expenses and tame debts as well as invest wisely to achieve your financial goals! Now in its 5th edition, this up-to-date guide covers all the latest trends to ensure your financial stability. Just some of the updates and revisions include: Reviews of the new and revised tax laws and how to take advantage of them The latest scoop on Medicare and Social Security and what it means for you Updated investment advice on mutual funds and other managed investments Enhanced smart spending tips Coverage of new bankruptcy laws and how to eliminate consumer debt Smart ways to use credit and improve credit scores Expanded coverage on educational savings options This hands-on, straightforward guide features ways to survive life changes such as starting your first job, getting married, having children, and retiring, as well as helpful tactics for preventing identity theft and fraud. With Personal Finance for Dummies, 5th Edition, you'll be able to achieve financial strength and start concentrating on the more important things in life! **Managing Your Personal Finances** Joan S. Ryan 2009-01-27 While focusing on the student's role as citizen, student, family member, consumer, and active participant in the business world, Managing Your Personal Finances 6E informs students of their various financial responsibilities. This comprehensive text provides opportunities for self-awareness, expression, and satisfaction in a highly technical and competitive society. Students discover new ways to maximize their earning potential, develop strategies for managing their resources, explore skills for the wise use of credit, and gain insight into the different ways of investing money. Written specifically for high school students, special sections in each chapter hold student interest by focusing on current trends and issues consumers face in the marketplace. Selling Your Business Louis P. Crosier 2004-06-02 Twenty-three top advisors from leading firms show entrepreneurs how to transition their business The Entrepreneur's Transition provides an all-in-one handbook for entrepreneurs and corporate insiders seeking advice on their personal financial planning prior to selling or taking a business public. It provides a concise, easy-to-read blueprint that can help business leaders navigate before and after a transaction-so they are well positioned and can avoid costly mistakes. The Entrepreneur's Transition is organized chronologically beginning with the issues a business owner should be concerned with prior to a transaction. It then moves, step by step, through the transaction process and into post transaction diversification, reinvestment, and philanthropy. Louis Crosier (Boston, MA) is a principal at Windward Investment Management and serves as a member of Windward's Investment Committee. His responsibilities include managing client portfolios and overseeing the firm's investment consulting practice.

Financial Accounting, 5th Edition S.N. Maheshwari, S.K. Maheshwari & Sharad K. Maheswari Financial Accounting provides a comprehensive coverage to course requirements of students appearing in the paper Financial Accounting at BCom, BCom (Hons) examinations of different Indian universities and Foundation Examination (NS) of the Institute of Company Secretaries of India. The book is divided into four sections: Section I explains the fundamental principles necessary for understanding the subject. It covers the entire accounting cycle—from recording of financial transactions to the preparation of final accounts. Section II deals with accounting problems related to certain specific types of business transactions. Section III deals with partnership accounts. Section IV provides suggested answers to recent examinations' questions.
