Indigenous Social Security Systems in Southern and West Africa Ndangwa

Noyoo 2018-08-14 The desire exists within Governments to provide for those who are on the fringes of society. Therefore, indigenous approaches seem relevant in the redistribution of resources among citizens. This book is therefore not only essential, but also timely. Indigenous Social Security Systems in Southern and West Africa (ISSS) contributes to human service literature for Africa, Southern Africa and West Africa in particular. The richness of the book lies within the variety of contributions that encourage its origin. The book's value is extensive and captures many essential and current topics that have an appeal to academicians, policy-makers, analysts and practitioners in the field of social welfare and social security. Ultimately, the book serves as a pragmatic and expedient tool for human service practitioners and any enthusiast of social security systems.

CLIMATE CHANGE AND AGRICULTURE OVER INDIA G.S.L.H.V.

PRASADA 2010-04-17 Global warming has led to climate change which in turn has led to frequent occurrence of floods, droughts, and cold and heat waves, affecting the productivity of food grain in a large measure. This book studies the effects of regional climate change on the agriculture sector in different states of India. The book also discusses the impact of global warming

on the agriculture sector across the world and describes in particular how climate change/variability is affecting rainfall, temperature and land in various states of India. It also suggests adaptation techniques which can be evolved to neutralize the adverse effects of climate change. Besides, the text explains the need for weather risk management, agromet advisory services, weather insurance, and the principles and practices of integrated watershed management through a consortium of approaches for mitigating the adverse impact of climate change in the semi-arid tropics. This book, with contributions from experts in the field and edited by academics who are authority on the subject, should prove to be extremely useful to undergraduate and postgraduate students of Agriculture, planners, policy makers and administrators.

MANAGEMENT OF FINANCIAL INSTITUTIONS MEERA SHARMA

2008-05-27 Written in a highly readable style, this book provides in-depth coverage of the concepts of management of financial institutions, focusing primarily on the banking sector and risk management. Divided into five parts, the text first looks at the framework of the Indian financial sector and examines the significance of various financial intermediaries. It then moves on to explain in detail the products and financial statements of banks and their methods of performance analysis. The book exposes the students to various risks faced by financial institutions and elaborates on the process of risk management. It analyzes the regulatory framework for financial institutions and discusses their capital management with emphasis on both the first and second Basel accords. In addition, the text provides a thorough exposition of the Indian banking industry in the light of latest trends, data and RBI regulations. **KEY FEATURES** ☑ Facilitates easy understanding of theory with the help of a number of figures, tables, graphs and worked-out examples. ☑ Highlights the key concepts in boxes throughout the text. ☑ Incorporates chapter-end questions and problems, case studies and computer-based exercises

to help students master the concepts. This book is designed for a course in Management of Financial Institutions, offered to postgraduate students of management programmes (Finance and Banking) and commerce. It will also be useful to practising bankers and risk managers.

Clear light of Day Anita Desai 2012-09-25 While their parents went to parties at Delhi's Roshanara Club, the children of the Das family brought themselves up, reading Byron, listening to the gramophone, and watching over sad, alcoholic Mira masi. Many years later, the youngest, Tara—now a mother of two—has returned from America to the scene of her unusual, lonesome childhood. Here, as always, is her sister Bim, doggedly single college-lecturer and caretaker of all. In her presence, Tara sinks into the blissful torpor of home, at once her dreamy old self but careful as ever around her older sister. For at the heart of this reunion are numerous tensions: Tara feels the persistent guilt of having, like the others, abandoned Bim; their autistic brother Baba is increasingly unquiet; and Bim has not spoken to their other brother, Raja, for years and refuses to go to his daughter's wedding. *Clear Light of Day* is vintage Anita Desai, a novel as wonderfully contemplative as a

cup of afternoon tea.

PISA 2018 Assessment and Analytical Framework OECD 2019-04-26 This report presents the conceptual foundations of the OECD Programme for International Student Assessment (PISA), now in its seventh cycle of comprehensive and rigorous international surveys of student knowledge, skills and well-being. Like previous cycles, the 2018 assessment covered reading, mathematics and science, with the major focus this cycle on reading literacy, plus an evaluation of students' global competence – their ability to understand and appreciate the perspectives and world views of others. Financial literacy was also offered as an optional assessment.
