Angels of Humility Jackie Macgirvin 2011-03-01

Pastor Paul is a young seminary graduate called as interim pastor to a small rural church. He is full of zeal, but mostly for self-promotion. He sincerely loves the Lord but his past emotional wounds leave him vulnerable and in need of attention and affirmation. He constantly frustrates his angel, Saldu, who tries to steer him toward a more humble attitude. Sarah Edwards is a new church member, a recent widow who gets saved at age 71. Unknown to her, Sarah has two angels to help disciple her and she is maturing rapidly in the faith. She is confused by her prophetic gifting, which leads her to offend some church members. She also prayer walks in front of Pastor

Paul's house. When his wife sees her pacing back and forth "talking to no one," Paul quickly writes her off as a "wacko." Through the lives of Paul and Sarah you will see that the really wonderful news is that living a life pleasing to God has nothing to do with gritting your teeth and trying harder (again and again and again). God rewards you for simple, loving, serving actions throughout your days, stepping outside your own concerns to truly see others in His name.

Proof of Angels Ptolemy Tompkins 2016-02-11 In March 2015, millions worldwide were captivated by news reports of the dramatic rescue of an 18-month old girl, Lily Groesbeck, who'd somehow survived fourteen hours in an overturned car, submerged in an icy-cold Utah river, after her mother apparently lost control of the vehicle. Police officers arrived at the scene and heard a woman's voice spurring them on: 'Please hurry, there isn't much

time.' Yet, once the two victims were recovered, it was clear the voice could not have come from Lily's mother: she'd been killed on impact. How to explain this modern-day miracle?

Ptolemy Tompkins, New York Times bestselling collaborator, with the help of responding officer, Tyler Beddoes will do just that. **PROOF OF ANGELS** will be the first mainstream trade book to effectively address a topic that has captivated individuals across cultures, age groups and religious beliefs for centuries. This deeply engaging, hard-hitting book is poised to do for angels what **PROOF OF HEAVEN**, the international bestseller by Eben Alexander on which Ptolemy Tompkins collaborated, did for Near Death Experiences. Jesus Talked to Me Today
2016-07-05 A Heartwarming Story Collection of Children's Encounters with God, Angels, and Miracles
Children have a special place in Jesus' heart. He said they are the greatest in the kingdom of heaven, and their angels continually see the face of God. Perhaps that's why children seem to be more receptive to supernatural experiences than adults. This new collection reveals how God works in the lives of these precious little ones. It contains the touching true stories of children who have heard Jesus speak, encountered angels, and experienced miracles. We could all use more childlike faith, and these stories "from the mouths of babes" will encourage readers to

be open to hear from the Lord in a fresh, sweet, and pure way.

An Angel to Watch Over Me Joan Wester Anderson
2012-03-01 Children are known to have wild imaginizations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder than when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, "That's nice, sweetie. Why don't you go outside and play?" But Joan Wester

Anderson says "not so fast." If Jesus himself taught that the kingdom of heaven belongs to children, there's no reason in the world not to believe that God can reveal his love to little ones through angels. In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of children's experiences with celestial beings--from a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home. From angels who combat evil and darkness to angels who bring news of comfort and joy, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives--and that attaining a certain age is

not a prerequisite for God to touch our lives in the form of heavenly helpers--this book is sure to stir the soul and fan the faith.
