Sexy Australian billionaire Grant Devlin is ruining my life. He exercises shirtless in his office, is notorious for his lunchtime hook-ups, he even yawns sexily. If I didn't need this job so bad, I'd take his black Amex and tell him where to swipe it. He doesn't even know I exist, but why would he? He jets off to Paris with supermodels, I spend Friday nights with Netflix and a chunk of Pepperidge Farm frozen cake—waiting for his call. Because every time he crashes his yacht, or blows \$500k on a single roulette spin in Monte Carlo, I'm the PR girl who has to clean up his mess. But this time, it's going to take more than just a fat charity donation. This time, the whole company is on the line. Confessions of a Millionaire's Mistress Ava Reilly 2015-01-02 'The morning after meeting Hugh, I was heading out the door when I saw I had a new message. I opened it cautiously and saw six words that made my heart skip a beat. I need to see you again.' Ava Reilly was just starting her career in PR when she was sent to meet one of the industry's major players. She was naive to the ways of the entertainment business, but was determined to make a good impression. What she wasn't prepared for was the electricity she would feel between them from the moment of their first meeting. Soon they had embarked on a stormy, seductive love affair, with liaisons in opulent hotels across Australia and around the world. The thrill of their encounters was tainted by constant pressure to keep their relationship out of the public eye, as the danger of being discovered could put not only their personal lives but their professional

lives at risk. Ava also felt the weight of her conscience - she had never, ever imagined herself as the other woman. However, it had been a long time since she'd been able to truly trust a man, and Hugh seemed to be only one who could come close to breaking down the protective walls Ava had built around her heart. Working day to day in an industry where secrets are currency, Ava's lips were tightly sealed about what was happening between her and Hugh - until she began to make her confessions. Confessions of A Millionaire's Mistress is the true story of an innocent young woman who found herself swept into a passionate, irresistible romance with a charismatic, wealthy, powerful man who is used to getting what he wants - whatever the cost.

As Latika carved out a successful career for herself as an award-winning political journalist, she became more and more curious about her heritage and what it meant to be born in India and raised in Australia. [A Man Worthy](#) Cassandra Ormand 2014-09-23

From RWA Award-Winning Author, Cassandra Ormand! Thaddeus Nolan is the quintessential alpha male. Drop a pampered rich girl into the Australian outback, add a healthy dose of male sex appeal with no time or patience for the demands of a woman wearing high heels, and you either get a serious battle of wills or a firestorm of chemistry. A mix-up in travel plans thrusts Chelsea Bowden of Boston into the midst of a group of uncouth men set to journey through the Australian desert, guided by the disturbingly attractive Thaddeus Nolan. Expecting the amenities of a posh Sydney hotel suite, Chelsea finds herself instead having to bear up to the rigors of a life that is altogether unfamiliar to her. She suffers the swarming flies, punishing heat, masses of mosquitoes, and a backside bruised from being forced to travel by camel, yet still the desert manages to captivate her with its beauty and mystery. Under a relentless sun, through the trials of an unforgiving land, she comes to know herself like never before. And she realizes that she is engaged to the wrong man. It's Thaddeus Nolan she wants, the rugged outdoorsman who doesn't fit into her circle of society. Australia, Romance Beautiful Love Story. A romantic story usually involves only two people, and for A Man Worthy (Romance) Australian safari guide Thaddeus Nolan and American financial analyst Chelsea Bowden are the two lovers. But, there are other "loves" in this love story, that for lack of a better word, I have to call a "pentangle". The Australian outback, a dingo named Buckie and a camel named Cornelius are active participants in this romance. This is the second book by Cassandra Ormand that I have read and once again, she did not disappoint. The first one was A Lover's Moon (Romance) wherein the love story took place in the South Dakota Badlands. The two books are similar in the sense that Ms. Ormand's description of the setting is so compelling that you can actually feel the heat and the insect bites, the roughness of the stones and most of all, you can see the beauty of the place in your mind's eye. And that's only the bonus! The real meat is the love story itself. Cassandra Ormand gives you the POV of both lovers. Hence, as a reader, you can identify with the character. Add the fact that the characters are so fleshed out nicely, even the supporting

ones, there really is a lot to take in and enjoy in the story. This book is PG 13 due to situational drama of travelling in the Australian outback. There is one mild sex scene. Great! The book was well written and interesting. the characters were fun and full of life. Thank you for a product worth purchasing. Great Romance. I could not put this book down, I loved the twists and turns. Great adventure in Australia; which is heated up with love and the struggle between a man and woman from two different worlds. Great addition to Contemporary Romance Greats like those of Addison Moore and Tracy Brogan
