**The Recognition Sutras** Christopher D. Wallis 2017-10-06 One thousand years ago, in the valley of Kashmir, a great Tantric master named Kshemaraja wrote his masterpiece: the Pratyabhijnahridayam, which means "The Essence of the Recognition Philosophy". This text was a concise primer, written to introduce spiritual seekers to the Recognition philosophy in less formally philosophical, more approachable language. What Kshemaraja created turned out to be one of the world's great spiritual masterpieces, breathtaking in its brevity but stunning in its power. It came to be considered equivalent to scripture itself by later generations, because of its undeniable inspiration. This book expounds the subtleties of this spiritual and philosophical classic. One of the most powerful and revelatory spiritual masterpieces of world history, the Pratyabhijnahridayam is one of the primary sources for the study and practice of nondual Tantrik Yoga, and it has never been accurately translated or fully explained until now.

Inner Tantric Yoga David Frawley 2009-02-01 'Inner Tantric Yoga' presents the deeper tradition of Tantra, its multidimensional vision of the Divine and its transformative practices of mantra and meditation that take us far beyond the outer models of how Tantra is usually presented today. Kularnava Tantra M. P. Pandit 1999 The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would

understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

**Living Mantra** Mani Rao 2018-09-15 Living Mantra is an anthropology of mantra-experience among Hindu-tantric practitioners. In ancient Indian doctrine and legends, mantras perceived by rishis (seers) invoke deities and have transformative powers. Adopting a methodology that combines scholarship and practice, Mani Rao discovers a continuing tradition of visionaries (rishis/seers) and revelations in south India's Andhra-Telangana. Both deeply researched and replete with fascinating narratives, the book reformulates the poetics of mantra-practice as it probes practical questions. Can one know if a vision is real or imagined? Is vision visual? Are deity-visions mediated by culture? If mantras are effective, what is the

role of devotion? Are mantras language? Living Mantra interrogates not only theoretical questions, but also those a practitioner would ask: how does one choose a deity, for example, or what might bind one to a guru? Rao breaks fresh ground in redirecting attention to the moments that precede systematization and canon-formation, showing how authoritative sources are formed.

Tantra, Mantra and Yantra of Sri Vidya Vinita Rashinkar 2021-04-07 "Sri Vidya begins where the current understanding of quantum physics ends," say modern-day scholars about this little-known, highly esoteric spiritual tradition that has been carefully kept under wraps by its secretive and

serious practitioners. The study of Sri Vidya is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find. Tantra, Mantra and Yantra of Sri Vidya is an endeavor to explore the Sri Vidya tradition and understand it as the unfolding of Shakti, the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success. Sri Vidya practice comprises tantra (a technique or framework for worship) whose two main elements are mantra (sacred sound) and yantra (sacred geometry). Tantra can be described in simple terms as the utilization of the mental faculty to pursue the objectives of worship using mantra and yantra. Mantra is the use of sound energy to bring about oneness with the Divine while yantra is a geometric drawing that serves as a tool to reach the Divine. The book delves into concepts such as Sankhya, Yoga, Karma and Kundalini in order to establish the context of how Sri Vidya is to be approached, combining elements of knowledge, devotion and ritual. The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests, presenting the information in a non-dogmatic and practical manner, thereby allowing everyone an opportunity to learn and experience the benefits of Sri Vidya. This is the third book by the author in the Spirituality Series. The first book was about the Sri Chakra Yantra and the second book had Chakras as its subject.

**Early Tantric Medicine** Michael Slouber 2016-11-17 Early Tantric Medicine looks at a traditional medical system that flourished over 1,000 years ago in India. The Garuda Tantras had a powerful influence on traditional medicine for snakebite, and some of their practices remain popular to this day. Snakebite may sound like a rare and exotic phenomenon, but in India it is a problem that affects 1.4 million people every year and results in over 45,000 deaths. Michael Slouber offers a close examination of the Garuda Tantras, which were deemed lost until the author himself discovered numerous ancient titles surviving in Sanskrit manuscripts written on fragile palm-leaves. The volume brings to life this rich tradition in which knowledge and faith are harnessed in complex visualizations accompanied by secret mantras to an array of gods and goddesses; this religious system is combined with herbal medicine and a fascinating mix of lore on snakes, astrology, and healing. The book's appendices include an accurate, yet readable translation of ten chapters of the most significant Tantric medical text to be recovered: the Kriyakalaganottara. Also included is a critical edition based on the surviving Nepalese manuscripts.

Baker uses these rediscovered correspondences to expand the meaning of each astrological sign based on their association with the chakras, the alchemical transmutation cycle from lead to gold, and the wisdom of

ancient myth. He also offers expanded meanings for each chakra in association with the twelve signs of the zodiac and their ruling planets as well as new insights into the influence of Chiron and Eris. **Black Magic & Witchcraft** Lord Shiva 2020-04-02 I am very happy to know that you guys liked my mantra books translated into English and in other languages, which I received from my mentor or Guru. I hope that this book will prove very useful not only for the Hindus but for all the people of the world who believe in "Sanatana Dharma" and follow it. If you are one of

them who closely know the "Sanatana Dharma", then you must also know that it is a Science, not a superstition. All books of the "Sanatana Dharma" or the "Hindu Dharma" are based on Esoteric Science, which common man can't understand easily. You have to follow the instructions of your mentors or Gurus from whom you are getting Initiation or "Diksha". In this book, I have included the mantras and the ancient text or conversation between Shiva and Parvati, which I received from my Mentors or Gurus. I have presented some very useful mantras for the welfare of the public and the whole world through this book. In the series "The Mantras", I have presented three books earlier which is very helpful for the beginners who wish to take the first step in the world of Tantra. In those book you will learn meditation and concentration. You will also know some facts of tantra-mantra. Meditation is most important thing in the Tantra, without which you can not understand the Tantra. Meditation will open the path of the world of Tantra. Meditation is also divided in many forms and of many types. It will improve your focus and concentration which is very necessary during exercitation (Sadhana). The most recommended book for the meditation is "Vigyan Bhairava Tantra". In my another book, "Shiv Swarodaya - A divine Law of breathing" you will learn about the Tantra-Mantra and its application. In my another book "The Basic Mantras" you will learn and know some mantras which will improve your knowledge and

faith in the Tantra. It will also provide you supernatural powers, that will help you to get Siddhis of another mantras. It will also remove all negativity not only from your life but also from your conscious and sub-conscious mind. All these books will help you to learn and get Siddhis of the mantras which is discussed in this book. All the process to get Siddhis, or to prove, or to initiate the mantra's powers or energies are discussed with the mantras. In Part-1, I presented the conversation of Lord Shiva (as Lord Bhairava) and Goddess Parvati (as Goddess Bhairavi). During the conversation some mantra and secret of mantras are also revealed by the Bhairava. This is very important part of the book. You can consider this part as a Esoteric Science. In the Part-2, the process, application and mantras are discussed in detail. In this part, you will learn about the perfect time, the particular date (Tithis), the process, the auspicious or unauspicious days, etc. which are the most important part of the Tantra-Mantra to be successful. Many useful mantras are given in this books which is very useful in your daily life. The mantras of subduing or subjugation (Vashikaran), attraction or charm (Aakarshan), good luck, protection, etc. are given. I hope these mantras will help you to make your life successful and reduces your problems. These mantras will make your work easy and accurate. But never use these mantras with wrong intention, because that will harm you. You must use these mantras for the

welfare of the society, so that you and the society will develop and promote humanity. Never use these mantras to make someone bad or to make someone's life worst. This act will take you in hell. So, again I request all the practitioner or the Sadhaka to use these mantras only for the betterment of the society. Never harm anyone. If you are the one who buy this book for the welfare for the humanity and spread happiness in the world. I appreciate and love you from the core of my heart. And also I feel proud to be a medium for such a great work.

*Secret of the Vajra World* Reginald A. Ray 2002-07-23 This book provides an entrée into the Tantric (or Vajrayana) Buddhism of Tibet, as conveyed by Tibetan masters teaching in the West, and as received by their Western students. The Tantric tradition is a unique collection of lesser-known texts, concepts, and meditation practices that are usually made available only to experienced and specially initiated practitioners. The "Vajra World" (vajradhatu in Sanskrit) is a realm of indestructibility, the level of reality beyond all thought and imagination, all impermanence and change, which a fully realized person knows and inhabits. Used metaphorically, "Vajra World" refers to the traditional culture of Tibet and the unique spirituality

that is its secret strength. Topics include: The tantric view of human nature and the external world The special role of the guru, or tantric mentor The preliminary practices that prepare the student for full initiation The major dimensions of Vajrayana practice, including visualizations, liturgies, and inner yogas The tradition of the tulku, or incarnate lama The lore surrounding the death of ordinary people and of saints The practice of solitary retreat, the epitome of traditional Tibetan Buddhism *Secret of the Vajra World* is the companion volume to the author's earlier book, *Indestructible Truth: The Living Spirituality of Tibetan Buddhism*. While that book focuses on the history, cosmology, philosophy, and practice of the more public, exoteric side of Tibetan Buddhism, this work treats its more hidden and esoteric aspects as they take shape in Vajrayana. Together, the two volumes provide a broad introduction to the major traditions of Tibetan Buddhism.

**The Secret of Sri Vidya** Satya Narayana Sarma Rupenaguntla There are many books written in abstract language on the Tantra Upasana known as Sri Vidya. However, they contain highly technical words, mantras and rituals which are beyond the understanding of a layman who is alien to the concept of Hindu religion. Hence, more than enlightening the reader, they confuse him. In this aspect, this book is different in its diction. It tries to explain the abstruse subject of Sri Vidya in simplest possible terms,

highlighting its most benign form of practices. Explaining the meanings of important mantras from the Upanishads, the connection between Sri Vidya and the Vedas has been established in this book. In addition, the four paths of Sri Vidya have been briefly touched upon, introducing the readers to the practical aspects of these four esoteric paths. Dispelling the fear of Tantra and the worship of God in his feminine aspect, the entire subject of Sri Vidya has been explained in this book. If the reader develops interest in the sadhana of Sri Vidya after reading this work, we feel our efforts in writing this book are fulfilled.
