Sorority Sisters Claudia Welch 2012-06-05 In 1975, trying to find a place to belong, four young women found each other in the same sorority pledge class. Through parties and pranks; finals and skipped classes; boyfriends and break-ups, they forge a bond that takes them by surprise. No one expected it to last beyond college graduation. But some bonds are too strong to break. Now they're sisters. And with sisters, it's not about what happens. It's about no matter what happens.

Her SEAL to Slay Dragons Alexandra Isobel 2021-03-04 "Trust me, Kitten. I've done this before." Evie has embedded trust issues. Maddox is an honorable Navy SEAL she can rely on. Unable to stand by as she chooses the wrong men, he finally opts to make his move. When their steamy encounter becomes too intense, and Evie flees in return of her comfort zone, Maddox must decide if enough is enough. *Her SEAL to Slay Dragons* is the first, 'Discover my heat', interracial romance in the SEALs N Sorority Girls Series.

The Dare Elle Kennedy 2020-06-16 Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I

already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

Sisterhood is Deadly Lindsay Emory 2015-07-07 "We'll be sisters 'til we die..." Margot Blythe is a professional sorority girl. As a Sisterhood Mentor for her beloved Delta Beta, she travels to colleges around the country, advising on serious sorority issues (and picking up all the gossip along the way). Margot is

thrilled when she's invited back to her alma mater to assist the Delta Betas—but tragedy strikes when their chapter advisor drops dead during a meeting, sending shockwaves down sorority row. Shaken by the death—especially when foul play is suspected—Margot has to step up. Appointed the honor of serving as temporary chapter advisor, she now must manage the drama of fifty frazzled sorority women with secrets to hide; protect the house from the annual fraternity pledge pranks, which are more ominous than they seem; and worst of all, combat the ruinous rumors surfacing about a Delta Beta phone sex ring. If she wants to keep rival sororities and a suspicious (but dangerously cute) local policeman from bringing Delta Beta's reputation down, it's up to Margot to find out the truth—about whether a sister could have committed such an unimaginable sin as murder. A sassy debut for fans of Susan McBride and Meg Cabot

Better Off Red Rebekah Weatherspoon 2011 Every sorority has its secrets... And college freshman Ginger Carmichael couldn't care less. She has more important things on her mind, like maintaining her perfect GPA. No matter how much she can't stand the idea of the cliques and the matching colors, there's something about the girls of Alpha Beta Omega—their beauty, confidence, and unapologetic sexuality—that draws Ginger in. But once initiation begins, Ginger finds that her pledge is more than a bond of sisterhood, it's a lifelong pact to serve six bloodthirsty demons with a lot more than nutritional needs. Despite her fears, Ginger falls hard for the immortal queen of this nest, and as the semester draws to a close, she sees that protecting her family from the secret of her forbidden love is much harder than studying for finals.

Sorority Sisters Claudia Welch 2012 Follows the parties, romances, pranks and skipped classes of college life as experienced by four very different friends, Laurie, Karen, Ellen and Diane who met when they joined the same sorority in 1975. Original. 75,000 first printing.

Education and the Female Superhero Andrew L. Grunzke 2019-12-17

Considering a variety of female superhero narratives, including World War II-era Wonder Woman comics, the 1970s television programs The Secrets of Isis and The Bionic Woman, and the more recent Buffy the Vampire Slayer, Education and the Female Superhero: Slayers, Cyborgs, Sorority Sisters, and Schoolteachers argues that they share a vision of education as the path to female empowerment. In his analysis, Andrew L. Grunzke examines female superheroes who are literally teachers or students, exploring examples of female superheroes whose alter egos work as schoolteachers or attend school during the workday and fight evildoers when they are outside the classroom. Taking a broader view of education, Grunzke argues that the superheroine in popular media often sees and articulates her own role as being an educator. In these narratives, female superheroes often take it upon themselves to teach self-defense tactics, prevent victimization, and encourage people (especially female victims) to pursue formal education. Moreover, Grunzke shows how superheroines tend to see their relationship with their adversaries as rehabilitative and educative, trying to set them on the correct path rather than merely subdue or dominate them.

Pledged Alexandra Robbins 2011-05-24 Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true, so she spent a year with a group of girls in a typical sorority. The sordid behavior of sorority girls

exceeded her worst expectations -- drugs, psychological abuse, extreme promiscuity, racism, violence, and rampant eating disorders are just a few of the problems. But even more surprising was the fact that these abuses were inflicted and endured by intelligent, successful, and attractive women. Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior -- especially when the women involved are supposed to be considered 'sisters'? What definition of sisterhood do many women embrace? Pledged combines a sharp-eyed narrative with extensive reporting and the fly-on-the-wall voyeurism of reality shows to provide the answer.

Disciplining Women Deborah Elizabeth Whaley 2010-09-01 An interdisciplinary look Alpha Kappa Alpha (AKA), the first historically Black

sorority.

Soul to Keep Rebekah Weatherspoon 2016-03-15 With every commitment comes sacrifice ... College junior Jill Babineux knows where her priorities lie. Between a full course load, her blood pledge to feed a certain vampire, and all the community service hours she's got to log with her sisters in Alpha Beta Omega Sorority, the last thing on her mind is finding love, especially with an immortal. Which works out just fine for Miyoko "Tokyo" Hayashi who's been so busy enjoying her wild days and even kinkier nights, she's never had a reason to speak to the tiny know-it-all. But after a random run-in and a few carefully plotted encounters, Miyoko learns that there's more to the sorority's least favorite member. Miyoko never thought she'd actually start to like the girl, let alone love her, but when true evil comes for Jill, Miyoko finds herself willing to do anything to protect her. Anything.

Sorority Sisters Tajuana Butler 2001-11-06 Dear Heavenly Father, Thank you for developing me into a beautiful and talented woman. Thank you for being my protector and my guide. And as I make my way along my journey, bless me with the wisdom to make intelligent choices. So begins *Sorority Sisters* by Tajuana "TJ" Butler, a dazzling new voice in African-American fiction. In this wonderful debut novel, five young women from diverse backgrounds pledge an African-American sorority and learn the true meaning of sisterhood.

CAJEN is a naive freshman whose brief affair with Jason, the campus Romeo, has life-changing repercussions. With hardly a chance to cope with her new circumstances, she finds herself dealing with the stress of pledging while battling feelings of depression and guilt. TIARA grew up as the oldest of five children raised by a single mother in the projects of Gary, Indiana. Motivated by Rhonda, her mentor through the Big Sisters program, she has worked hard for everything she has achieved. Simply being in college is a victory for her. CHANCEY is brilliant, with a photographic memory that has allowed her to breeze through school. In fact, she skipped her freshman year entirely

and entered college as a sophomore. She has always been made to feel like an outsider because of her intelligence, and the sorority represents an opportunity for her finally to fit in. STEPHANIE is the spoiled only child of a prominent, wealthy family from Savannah. She is used to getting the best and expects no less. But Stephanie is adopted and harbors a secret about her birth mother that she fears will cause others to think less of her. MALENA is ambitious, talented, and smart. She knows what she wants and is steadfast when it comes to achieving her goals. Her strength and resolve ultimately benefit the group as a whole. These five very different young women are thrust together and soon must learn to unite and draw upon one another's talents. During the course of their pledge process, they struggle to discover and define their futures, finding strength in the group and within themselves. In *Sorority Sisters*, Butler writes with sensitivity and authenticity about issues revolving around class, friendship, self-discovery, sexuality, and love. She has created characters who remain with you long after the last page has been turned. A gifted young storyteller, Tajuana "TJ" Butler has a voice we'll be hearing from for a long time.

Lesbian Sorority Sister Scarlet Butler 2016-03-20 Get this coming of age Lesbian Romance book. It was late when they arrived at her dorm and all the lights were out. She climbed out of the car, back out into the sharp frosty night. Emma met her at her side of the car. She was a little taller than Tina, her bright green eyes running over her lips as if Tina's was the first face she

had ever seen. Their faces drew closer together until Tina could feel her breath on her skin and for a moment they just stayed like this, in some strange trance-like state. Emma's lips met Tina's gently. They kiss deep and warm and like none Tina had ever experienced before. Emma's arms around her waist felt strong yet gentle and she smelt like incense and sugar. A ghost in Tina wanted to tell her that she had known her before, that she did remember her and maybe she did. As much as she could remember herself from those days, she remembered Emma. In this moment, Emma was the whole world. The gangsta girl from the hood turns her life around to get an education but has she REALLY turned her life around? Sorority Sisters: 7 Sapphic Stories Bunny Blu 2016-10-26 Sorority Sisters: 7 Sapphic Stories is a collection of short stories centered around sorority life. Pledging With Pussy is about Rachel, a sorority pledge, who has postponed completing her pledge tasks until the last minute. Determined to complete every necessary task required for membership, Rachel submits to one Sister's every sexual whim. The Girls of I Eta Pi is about the initiation of Amanda and Kelly into the sorority house of I Eta Pi. Enslaved is about Denise, the resident lesbian sorority pledge who is tasked at holding captive the captain of the cheer squad, Cheryl. After days of captivity Cheryl reluctantly agrees to let Denise bathe her. Sudsy, sexy fun ensues. Initiating The President is about Brittany, the president of I Eta Pi who accidentally discovers the lascivious activities of her sisters. Sapphic desires are awakened and soon Brittany is initiated into carnal rapture by her sorority sisters and their lovers. My Strapping Roommate is about Ally, who has been lusting after her roommate Tracy for weeks. After Tracy feigns taking a couple of sleeping pills Ally

decides to take advantage of her naked roommate... only to discover Tracy is awake and willing. After losing a fundraising competition bet, the senior sorority sisters find themselves at the mercy of the juniors, but for Kristen punishment includes the discovery of an unexpected secret admirer. The Secret Admirer is an erotic romance. Learning To Eat Out is about Heather who accidentally discovers the president of her sorority engaging in a secret initiation practice with a new, young pledge. Heather can either rat them out... or eat them out. Sorority Sisters: 7 Sapphic Stories includes lesbianism, lesbian group sex, menage (female-on-female-on-female), first time experience, oral, anal, bondage, spanking, humiliation, sexy toys, squirting and fisting. Sorority Genevieve Sly Crane 2018-05-01 Sisterhood is forever...whether you like it or not. Prep meets Girls in White Dresses in Genevieve Sly Crane's deliciously addictive, voyeuristic exploration of female friendship and coming of age that will appeal to anyone who has ever been curious about what happens in a sorority house. Twinsets and pearls, secrets and kinship, rituals that hold sisters together in a sacred bond of everlasting trust. Certain chaste images spring to mind when one thinks of sororities. But make no mistake: these women are not braiding each other's hair and having pillow fights—not by a long shot. What Genevieve Sly Crane has conjured in these pages is a blunt, in-your-face look behind the closed doors of a house full of contemporary women—and there are no holds barred. These women have issues: self-inflicted, family inflicted, sister-to-sister inflicted—and it is all on the page. At the center of this swirl is Margot: the sister who died in the house, and each chapter is told from the points of view of the women who orbit her death and have their own reactions to it. With a keen sense of character and elegant, observant prose, Crane details the undercurrents of tension in a world where perfection comes at a cost and the best things in life are painful—if not impossible—to acquire: Beauty. A mother's love. And friendship...or at least the appearance of it. Woven throughout are glimmers of the classical myths that undercut the lives of women in Greek life. After all, the Greek goddesses did cause their fair share of destruction....

Sorority Sister Diane Hoh 2012-03-27 Someone is out to destroy the most popular sorority on campus Joining Omega Phi Delta is the best thing that's

ever happened to Maxie. Since she pledged with Salem University's coolest sorority, she's never had trouble finding a party to go to or a boy to date. Her new life is perfect—until death strikes Omega House. The terror starts when Maxie's sorority sister Erica's jewelry box goes missing, with all of her valuables, including her grandmother's priceless ring, inside. Erica is tearing her room apart when she gets a package: the box, with all the jewelry safe inside. Erica wants to forget the strange incident, but the strange pranks escalate and Maxie sees them as a warning. Some unknown lunatic wants her sisters' blood, and only Maxie can save them. A year ago, she would have done anything to become an Omega girl. Now she may die for it. This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.
