Billy Wilder Billy Wilder 2001 Always daring Hollywood censors' limits on content, Billy Wilder directed greats such as Marilyn Monroe, Jack Lemmon, Ginger Rogers, Marlene Dietrich, Kirk Douglas, Audrey Hepburn, and Gary Cooper. Billy Wilder: Interviews follows the filmmaking career of one of Hollywood's most honored and successful writer-directors and spans over fifty years. Wilder, born in 1906, fled from Nazi Germany and established himself in America. Starting with a celebrated 1944 Life magazine profile, the book traces his progress from his Oscar-winning heyday of the 1940s to the 1990s, in which he is still witty, caustic, and defiant. Often playful and sometimes outrageous, but just as often very serious, Wilder details his rise as a Berlin cub reporter to a fledgling screenwriter in Hollywood's "Golden Age." He tells the stories behind his brilliant direction of such classics as Double Indemnity (1944), The Lost Weekend (1945), Sunset Boulevard (1950), Stalag 17 (1953), Sabrina (1954), The Seven-Year Itch (1955), Some Like It Hot (1959), and The Apartment (1960), among others. A dazzling raconteur, Wilder gives the scoop on the royalty of cinema, from the maddening magic of Monroe to the uncanny empathy of frequent alter ego Lemmon. Though his natural tendency is to spin marvelous anecdotes on the subject of show business, Wilder also delivers penetrating and instructive observations on his craft. On screen, his special blend of cynicism and romanticism was always expressed in a style that avoided showiness. Billy

Wilder: Interviews includes in-depth profiles, spirited Q&A's, and on-the-set glimpses of the director at work. Taken together, the interviews form an unofficial memoir of a sophisticated artist once described by a colleague as the most unusual and amusing man in Hollywood. Robert Horton is the film critic for The Herald in Everett, Washington. His work has been published in Film Comment, New York Newsday, American Film, and the Seattle Weekly. Popular Photography - ND 1946-08 Popular Science 1949-12 Popular Science gives our readers the information and tools to improve their technology and their world. The Hollywood Reporter 1991

Lords of the Sunset Strip Blackie Dammett 2013-03-31 'I did a double take when I saw fourteen-year-old Drew Barrymore at the bar, drinking with the Bukowski crowd. She was adorable, spoke with a potty mouth and carried on as if she was in her twenties. I was straining to approach her but backed off. I'd been in enough trouble. The next time I looked she was gone. A couple nights later she reappeared and in the same spot at the middle of the bar, entertaining the bartender. I pulled the trigger this time, and whatever I had to say she bought.' "I'm eating your book! It's delicious!" Lia Mack - Portland, Oregon "Fervent shades of Jack Kerouac." Terry Wells - Brigg, England "Lords of the Sunset Strip" is the brutally honest and hilarious memoir of actor and writer Blackie Dammett—AKA John Kiedis—who happens to be the father of Red Hot Chili Peppers frontman Anthony Kiedis. Set mostly in Hollywood but with multiple national and worldwide excursions for

film shoots, love affairs and drug deals, this tell-all provides an unexpectedly candid look at an actor's transition from a wild man with a dream to a sensitive if unconventional parent with a dream. And of course, there were the women. New girls were always replenishing the scene. Dammett towed his young Red Hot Chili Pepper with him through a torrent of sex-fueled parties, auditions and business deals in Hollywood, New York and London. It's an exhilarating, exhausting and romantic journey. It had a profound and ineffable influence on Rock & Roll Hall of Famer Anthony. "Lords of the Sunset Strip" will no doubt have a similar influence on its readers as well. It's simply the biggest, baddest, boldest tale of Hollywood and Rock & Roll ever written.
