Dark Wild Night Christina  
Lauren 2015-09-15 Book 3 in  
the Wild Seasons series that  
began with New York Times  
bestseller Sweet Filthy Boy.  
When three besties meet three  
hot guys in Vegas, anything  
could-and does-happen. Moving  
from college into the real world  
has never been so crazy . . . or  
fun. Let the Wild Seasons  
begin. In Dark Wild Night, now

that they're only friends,  
kissing Lola is all Oliver can  
think about. Trying to forget  
her with a wild, anonymous  
hookup, he's simultaneously  
thrilled and torn: Is this his  
chance to get over her? Or will  
this new stranger only pull him  
in deeper?

**Wicked Sexy Liar** Christina  
Lauren 2016-02-02 London  
Hughes is very content to surf  
daily, tend bar, hang out with  
her group of friends, and  
slowly orient herself in the  
years after college. When a

wave knocks her for a loop one morning, then Luke Sutter's flirtatious smile knocks her for another that evening, she veers slightly off course-- and into his path. Why not-- it's only one night. As much as she enjoys her fling with Luke, when London learns about his past-- more specifically, who's in it-- everything becomes the brand of complicated she strives to avoid. Can Luke manage things so he's not something she'll outright avoid as well?

Dirty Rowdy Thing Christina Lauren 2014-11-04 Unlike her best friends Mia and Lola, Harlow Vega has a reputation for always being up for a fling. Twelve drunk and wild hours in Sin City married to the ridiculously hot and rugged Canadian fisherman Finn Roberts, who (no surprise) is amazing with his muscular hands - and his lips and the rest of his body - was just her speed. But it was just a thing: dirty, rowdy, and easy... until Finn turns up in her hometown on business. Harlow's not ready to be tied down but when the whole crew is handing out

together, there's just something about him. It may not be love (hell, it may not even be like), but their exciting, tension-filled hookups provide the perfect distraction from the scary life changes they're both facing - challenges neither is sure how to handle, let alone fix. One night together turns into two, and soon Finn's mysterious business trip has gone on for weeks. They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

**Sweet Filthy Boy** Christina Lauren 2014-05-13 When three besties meet three hot guys in Vegas anything can—and does—happen. Book one of the New York Times bestselling Wild Seasons series from the author of the Beautiful series. One-night stands are supposed to be with someone convenient, or wickedly persuasive, or regrettable. They aren't

supposed to be with someone like him. But after a crazy Vegas weekend celebrating her college graduation—and terrified of the future path she knows is a cop-out—Mia Holland makes the wildest decision of her life: follow Ansel Guillaume—her sweet, filthy fling—to France for the summer and just...play. When feelings begin to develop behind the provocative roles they take on, and their temporary masquerade adventures begin to feel real, Mia will have to decide if she belongs in the life she left because it was all wrong, or in the strange new one that seems worlds away.

**Beautiful Beloved** Christina Lauren 2015-02-02 The seventh work in the New York Times and #1 internationally bestselling series that started with the Beautiful Bastard, Beautiful Stranger, and Beautiful Player novels. Featuring all the Beautiful characters...plus one tiny new addition to the group. In Beautiful Stranger, finance whiz Sara Dillon met the irresistibly sexy Brit, Max Stella, at a New York City club. Through the series we've watched them learn to balance commitment with their less than private brand of playfulness. In Beautiful Beloved, Max and Sara take it to the next step. But the question is: Will they be able to find a balance between the wild sexcapades they aren't ready to retire, and the demands of parenthood that come along with their new Beautiful bundle of joy? Parenthood: it's not for the

weak of heart.

*Beautiful Player* Christina Lauren 2013-10-29 In the third book in the Beautiful Bastard series, an agreement between a venture capitalist and a bookish woman quickly becomes a very NSFW version of My Fair Lady. A bombshell bookworm. A chronic Casanova. And a lesson in chemistry too scandalous for school. When Hanna Bergstrom receives a lecture from her overprotective brother about neglecting her social life and burying herself in grad school, she's determined to tackle his implied assignment: get out, make friends, start dating. And who better to turn her into the sultry siren every man wants than her brother's gorgeous best friend, Will Sumner, venture capitalist and unapologetic playboy? Will takes risks for a living, but he's skeptical about this challenge of Hanna's...until the wild night his innocently seductive pupil tempts him into bed- and teaches him a thing or two about being with a woman he can't forget. Now that Hanna's

discovered the power of her own sex appeal, it's up to Will to prove he's the only man she'll ever need.

**Beautiful Bitch** Christina Lauren 2013-07-09 Picking up where Beautiful Bastard left off, Chloe Mills and Bennett Ryan continue their steamy, combative relationship in this new novella. Just when Chloe's career starts to take off, Bennett wishes it would all slow down long enough to spend a wild night alone with his girlfriend. But after he refuses to take no for an answer, Chloe and Bennett find themselves with two plane tickets, one French Villa, and a surprising conversation that, predictably, leaves them wrestling under the covers.

*To Hate Adam Connor* Ella Maise 2016-06-08 So you may ask, who is Adam Connor' He is the recently divorced, Academy Award-winning actor who just moved in next door with his kid. He also happens to be an exquisite male specimen and the most infuriating sly bastard I've ever come across. While I was being thoughtful by not breaking and entering and was actually considering going over to offer him a shoulder to cry on (you know, because of his divorce), instead he had me thrown in jail after a small incident. Jail, people! He was supposed to grant me countless orgasms as a thank you, not a jail cell. After that day, I was mentally plotting ways to

strangle him. So what if my body did more than just shiver when he whispered dirty little things in my ear' I can't be held responsible for that. Even if he and his son were the best things since sliced bread, I couldn't fall for him. No matter what promises he whispered on my skin, my curse wouldn't let us be. I wasn't a damsel in distress-I could save myself, thank you very much-but deep inside, I still hoped Adam Connor would be the hero of my story. Contains mature themes.

Something Wilder Christina Lauren 2022-05-17 "Growing up the daughter of notorious treasure hunter and absentee father Duke Wilder left Lily without much patience for the profession . . . or much money in the bank. But Lily is nothing if not resourceful, and now uses Duke's coveted hand-drawn maps to guide tourists on fake treasure hunts through the treacherous and storied red rock canyons of Utah. It pays the bills but doesn't leave enough to fulfill her dream of buying back the beloved ranch

her father sold years ago. Treasured land wasn't her only loss that fateful summer, and when the man she once loved walks back into her life with a motley crew of his friends ready to hit the trails, the usually self-reliant cowgirl is thrown. Frankly Lily would like to take him out into the wilderness and leave him there. Leo Grady knew mirages were a thing in the desert, but they'd barely left civilization when the silhouette of his greatest regret comes into focus in the flickering light of the campfire. Ready to leave the past behind them, Leo wants nothing more than to reconnect with his first and only love. But Lily Wilder is all business, drawing a clear line in the sand: it's never going to happen. Unfortunately, emotions won't be led like a horse to water, and even out in the desert it's impossible to ignore the heat of attraction. But when the trip goes horribly and hilariously wrong, the group realizes the idea of hidden treasure wasn't so crazy after all. Finding themselves

alone in the isolated and dangerous mazes of the Canyonlands, Leo and Lily must decide whether they trust Duke's maps-and each other-enough to risk their lives and hearts for the adventure of a lifetime"--

Only with You Lauren Layne

Swearing off her thigh-high boots for good, Sophie slinks back home with damaged pride-and a jackpot of a hangover. Yet what happens in Vegas doesn't always stay there. Having brought Egypt firmly under her thumb, Amelia Peabody turns her attention to a harder challenge: Palestine, a

province of the crumbling, corrupt Ottoman Empire and the Holy Land of three religions. Hearing that Morley, an English adventurer, has raised money to mount an expedition to search for the vanished treasures of the Temple in Jerusalem, Emerson and Amelia are persuaded to go after him in order to prevent a catastrophically inept excavation and the possibility of armed protest by the infuriated members of all three religions who view the Dome of the Rock as sacred. The War Office is concerned about increasing German influence in Palestine and insists that Morley is secretly working for German intelligence. Emerson doesn't believe it, but could he be mistaken? In the meantime, their son Ramses has been working on a dig at Samaria, north of Jerusalem, where he encounters an unusual party of travellers. One is a female German archaeologist, and the other a mysterious man of unknown nationality and unknown past. Ramses's insatiable curiosity leads him

to a startling discovery about the pair. He must now pass the information on to his parents in Jerusalem - but only if he can get there alive...

From the New York Times bestselling author of The Unhoneymooners and the “delectable, moving” (Entertainment Weekly) My Favorite Half-Night Stand comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones’s first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world’s biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love

every once in a blue moon. When she steps onto the set of her first big break, he's the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it's possible to do the wrong thing for the right reason... and whether "once in

a lifetime" can come around twice. With Christina Lauren's signature "beautifully written and remarkably compelling" (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.
