The aim of this course, which covers the whole grammar and all the constructions of modern Nepali, is to present a full description of both the spoken and written forms of modern standard Nepali, and to enable the student to understand, speak and read most types of Nepali he or she is likely to encounter. The earlier lessons concentrate mainly on the spoken style, and the conversation passages whilst the later lessons concern religious, political and literary topics. Nepal is a land which already provides great enjoyment to the increasing number of visitors from the west. A knowledge of the language leads to a deeper understanding of the culture of its people, and the object of A Course in Nepali is to provide the means of learning it without much difficulty. Earlier editions of this course have been the standard book for students at the School of Oriental and African Studies, and it is without question the established market leader.

A Foundation in Nepali Grammar Christopher Jay Manders 2007 This book is written for people who love life, for a classic romantic person with a tender heart and a strong feeling for a passionate and tender loving. For those forever young, whose lives are more than ordinary, but romantic with and fascinated by a loved one; which is present or absent. A weep for a lost one and the pursue of recovery. For those who love life, beyond the view of the normal existence. These are messages for the non-ordinary people, but for those special ones with emotional attachments, with high purity of love. For people with romantic involvement, to court, or to woo that special someone in his or her life. Because love is more than a word, it is a mysterious and magical power that involves everyone and changes our destinies forever. Love is a tender attachment between two lovers, which is so ardent, emotional, and with such strong fascination and beautiful feelings that eventually you will be the object of such passion. Yes, you will be enamored, charmed, captivated, and in love with someone who is already out there looking for you; and when you look at that person, you will notice right away it's right there for you. You will be overcome in a swirl of intense desire, love, and passion, and you cannot do anything about it. Simply, it will be irresistible. Dan Vega

Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well aware of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness.

Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home. #v&spublishers
