Planet Fashion Natasha Slee 2019-04-02 Hold onto your hats and lace up your boots; we're off on a fashion adventure! Travel through 25 scenes in fashion history, circling the globe with your two young stylish travel companions—one boy and one girl, dressed the part in every picture. Each lavishly illustrated scene captures the mood and style of a unique time and place, accompanied by a trove of fashion history facts. Your journey begins over one hundred years ago, twirling around the ballroom in gowns and tailcoats. Travel on to dress up in Oriental silks to see a performance of the Ballet Russes, shimmy down in the flapper fashion of the Harlem Renaissance, fling your feather boa as you schmooze with movies stars on the Hollywood red carpet, and glue your hair into spikes as a London punk in this celebration of fashion and culture. Each vibrant, style-defining setting shows an array of characters showing off the distinguishing fashions of the time. Captions point out key fashion features, accessories, and cultural influences—like the cycling bloomers of the active and career-driven New Woman at the start of the twentieth century, the morale-boosting felt hats worn during the Second World War, and the plastic sunglasses inspired by space goggles from the Space Race era. Fact boxes give the time, place, key designers, and trends in silhouettes, hemlines, and sleeves for each fashion scene. Use the timelines at the back to see how historical events intersect with the evolution of fashion. One timeline summarizes the formative events of the twentieth century and three others highlight trends in shoes, hats, and bags. A Can You Find? page gives you motivation to study the scenes even more closely. Can you find a waiter dropping his tray of coffee on the streets of Paris? And a pair of roller skates at the dazzling disco jam? From Bollywood to Hollywood, suburban Canada to the French Riviera—embark on a voyage of discovery. A century of inspiring style awaits...

Daily Life of Women in Postwar America Nancy Hendricks 2021-02-28 From Beatniks to Sputnik and Princess Grace to Peyton Place, this book illuminates the female half of America's population as they entered a "brave new world" that revolutionized women's lives. After World War II, the United States was the strongest, most powerful nation in the world. Life was safe and secure—but many women were unhappy with their lives. What was going on behind the closed doors of America's "picture-perfect" houses? This volume includes chapters on the domestic, economic, intellectual, material, political, recreational, and religious lives of the average American woman after World War II. Chapters examine topics such as the entertainment industry's evolving concept of womanhood; Supreme Court decisions; the shifting idea of women and careers; advertising; rural, urban, and suburban life; issues women of color faced; and child rearing and other domestic responsibilities. A timeline of important events and glossary help to round out the text, along with further readings and a bibliography to point readers to additional resources for their research. Ideal for students in high school and college, this volume provides an important look at the revolutionary transformation of women's lives in the decades following World War II. Spotlights individuals of diverse backgrounds throughout Includes a helpful introductory overview for each section that places it in historical context Presents cultural and historical highlights impacting women in an easy-to-follow timeline Underscores terms familiar to postwar American women nationwide in a glossary Leads readers toward other sources to broaden their understanding in bibliographical entries Contains academic references and suggestions for further reading

The Crasher Shirley Lord 2009-11-29 Ginny Walker always had one dream: to be a great clothing designer, the next Calvin Klein or Bill Blass. She will do anything to succeed. She does happen to have a cousin (male) in New York; he is an investment banker of some sort, with lots of contacts, so she sets off for the Big Apple. Starting in a lowly job on 7th Avenue, she begins the life too many young New Yorkers know: a cramped living space, a dead end job with a sleazy boss, a wonderful set of friends, and a great amount of talent. Part of this talent is put to use designing evening attire for aw hot young model and partly used in dressing herself: Ginny Walker is wearing her own creations to the best parties in town, parties to which she is not invited, parties she crashes. Along the way Ginny falls in love, is gravely misused by the people she thought cared for her and does a great deal of growing up. But, it is only when she witnesses a murder that she needs to make the most important decisions of her life and become the kind of adult -- and designer -- she always knew she could be.
